

ASSOCIAZIONE IPERTESTO 3732

CORSO BLENDED

VALIDO FINO AL 22/11/2026

RESPONSABILE SCIENTIFICO: Katherine Verdolini Abbott

DESTINATARI: TUTTE LE PROFESSIONI

Terapia Vocale Integrata: Scienza e pratica clinica nell'adulto e nel bambino (Metodi Verdolini).

PARTE FAD:

SCIENZE DI BASE (SONO 7'15" ORE)

Introduzione al corso: 1'15"

Biomeccanica e biologia: 2'30"

Apprendimento: 2'00"

Compliance: 1'30"

PARTE RESIDENZIALE :

SABATO 28 NOVEMBRE 2026: PARTE PRATICA PER LA TERAPIA CON ADULTI (LMRVT, CSCFT, IPTIM) – IN PRESENZA 9 ORE

MATTINA 8:30-13:00

- Introduzione: 1'00"
- L'igiene vocale (Seduta 1, interattiva): 45"
- Sedute 2-4 (interattive): 2'45"
- *Pausa:* 15"
- Sedute 5-8 (interattive): 45"

PAUSA PRANZO 13:00-14:00

POMERIGGIO 14:00-18:30

- Dimostrazioni con pazienti (istruttrice): 1'00"
- Pratica con pazienti sotto la guida delle istruttrici (Verdolini e Trovarelli): 1'15"
- *Pausa:* 15"
- CSCFT in breve (interattivo): 30"
- IMPTIM in breve (interattivo): 1'15"
- Discussione e conclusioni: 15"

DOMENICA 29 NOVEMBRE 2026 PARTE PRATICA PER LA TERAPIA PER BAMBINI (AiV) - IN PRESENZA 9 ORE

MATTINA 8:30-13:00

- Introduzione: 1'00"
- L'igiene vocale: 30"
- "Terre" 1-4 (interattive): 3'00"

PAUSA PRANZO 13:00-14:00

POMERIGGIO 14:00-18:30

- "Terre" 5-8 (interattive): 1'00"
- Dimostrazioni con pazienti (istruttrice): 1'00"
- *Pausa:* 15"
- Pratica con pazienti sotto la guida della istruttrice: 1'30"
- Discussione e conclusioni: 45"
- TEST ECM

Curriculum Vitae

Katherine Verdolini Abbott, Ph.D., CCC-SLP, M.Div.
Department of Communication Sciences and Disorders
Department of Linguistics and Cognitive Science
University of Delaware
July 2025

The Tower at STAR
100 Discovery Boulevard, 632
Newark, DE 19713

P: 302-831-0956
E: kittie@udel.edu

Place of Birth: Hartford, CN
Citizenship: U.S.A., Italy

EDUCATION AND TRAINING

Undergraduate

1974	La Sorbonne, Paris, France	Diplôme de Langue et Civilisation Française	French Language and Civilization
1971-1975	Indiana University, Bloomington, IN. Junior and Senior years at Università' di Bologna Bologna, Italy (IU foreign study program)	B.S.	German/Italian

Graduate

1975-1978	Università' di Ferrara, Ferrara, Italy	Laurea in Lettere e Filosofia M.A. (equivalent)	Italian/Music History
1979-1982	Indiana University Bloomington, IN	M.S.	Speech and Hearing Sciences
1985-1991	Washington University St. Louis, MO Principal interest areas: Cognitive Psychology, Skill Acquisition, Memory. Dissertation: <u>Processing characteristics of perceptual-motor memories with and without awareness.</u> David A. Balota, Ph.D., advisor.	Ph.D.	Experimental Psychology

2003-2014	Pittsburgh Theological Seminary Pittsburgh, PA	M.Div.	Theology
	M.Div.thesis: <u>Cognitive and neurophysiological mechanisms in religious belief and practice</u> . Dale Allison, Ph.D., advisor.		

Post-graduate

2009	Sabbatical (4 months): Spirituality, Health, and Religion. In Department of Theology, program in Religion and Science, Boston University. Wesley Wildman, Ph.D., mentor.		
2016	Spiritual Immersion Course, Pittsburgh Theological Seminary, Pittsburgh, Pennsylvania.		

APPOINTMENTS AND POSTIONS

Academic Appointments

1989-90	Washington University, St. Louis, MO	Doctoral Fellow
1989-90	University of Missouri, St. Louis, MO	Adjunct Faculty
1990-95	University of Iowa, Iowa City, IA (Speech)	Assistant Professor
1994-95	University of Iowa, Iowa City, IA (Music)	Assistant Professor
1995-00	Harvard Medical School, Boston, MA	Assistant Professor
	Promotion to Associate Professor recommended Departmentally before leaving for Pittsburgh, 2001	
1997-00	MGH Institute of Health Professions, Boston, MA	Associate Professor (.2 time)
1998-99	Beth Israel Deaconess Medical Center	Research Coordinator
	Brigham and Women's Hospital, Boston, MA	
1998-00	Massachusetts Eye and Ear Infirmary, Boston, MA	Research Associate
2001-2007	Department of Otolaryngology, University of Pittsburgh, Pittsburgh, PA	
2001-2007/15	Voice Center, University of Pittsburgh	Clinical Supervisor
2003-2017	Center for the Neural Basis of Cognition, University of Pittsburgh and Carnegie-Mellon University, Pittsburgh, PA	Faculty
2007-2017	Communication Science and Disorders, and Department of Otolaryngology, University of Pittsburgh, Pittsburgh, PA (Full Professor Otolaryngology 2016)	Full Professor
2007-2017	McGowan Institute for Regenerative Medicine	Faculty
2017-	Communication Sciences and Disorders, University of Delaware, Newark, DE	Full Professor
2021-	Linguistics and Cognitive Science, University of Delaware, Newark, DE	Full Professor
2018-	Speech-Language-Hearing Clinic, University of Delaware	Clinical Supervisor

Hospital Appointments

1983-86	Barnes Hospital, St. Louis, MO	Speech/Language Pathologist
---------	--------------------------------	-----------------------------

1984-85	Barnes Hospital, St. Louis, MO	Senior Speech/Language Pathologist
1990-1005	Speech and Hearing Sciences, The University of Iowa, Iowa City, IA	Speech-Language Pathologist Clinical Supervisor
1995-97	Beth Israel Hospital and Brigham & Women's Hospital, Boston, MA	Director of Voice and Speech Clinic
1997-00	Massachusetts Eye and Ear Infirmary, Beth Israel Deaconess Medical Center, Brigham and Women's Hospital	Speech/Language Pathologist

Non-Academic Positions

1973-79	Bologna, Italy, Free-lance vocal soloist (Renaissance, folk and jazz).
1978-79	Villa Puglioli and Scuole Casali, private elementary schools (grades 1-5) Bologna, Italy, Teacher of English as a second language.
1980-81	Indiana University, Bloomington, IN, Teaching and Research Assistant
1982	Language School Systems, Bloomington, IN, Teacher of English as a Second Language.
1986-89	Washington University, St. Louis, MO, Instructor and Research Assistant Intermediate and Advanced Statistics, Cognitive Science, Department of Pathology. The University of Iowa, Iowa City, IA, Principles of Voice Production, Acoustics and Biomechanics, Speech Pathology and Audiology.
1988-89	The English Language School, St. Louis, MO, Teacher of English as a Second Language: Pronunciation.
1987-89	Haynes Studios for the Performing Arts, St. Louis, MO, Speech Pathologist and Teacher of Singing.

CERTIFICATION AND LICENSURE

<u>Specialty Certification</u>	<u>Year</u>
American Speech-Language Hearing Association Certificate of Clinical Competence (member #00932442)	1983
<u>Current Professional Licensure</u>	
Licensed Speech-Language Pathologist/Delaware (SL-01-0001616; 07/31/2017)	2017-present
Licensed Speech-Language Pathologist/Pennsylvania (SL-006380-L; 04/06/01)	2001-present
Certificate of Clinical Competence, Speech-Language Pathology, American Speech-Language-Hearing Association	1983-present
Licensed Minister, Pittsburgh Baptist Association	2005-2014
Ordained American Baptist Minister	2019
PAVA-Recognized Vocologist	2023-present

MEMBERSHIP IN PROFESSIONAL AND SCIENTIFIC SOCIETIES

American Speech-Language-Hearing Association	1979-present
American Speech-Language-Hearing Association Special Interest Division 3-Voice	1992-present
International Association of Laryngectomees, Instructor	1982-1988
National Association of Teachers of Singing, Member present	1984-2000; 2023-present
American Association of University Professors, Member	1991-1997
Voice and Speech Trainers' Association, Member present	1990-2005; 2023-present
International Society for Women in Cognitive Neuroscience, Member	1990-1995
American Psychological Association, Member present	1997-2005; 2023-present
Cognitive Neuroscience Society, Member	2000-2005
Voice Foundation, Member	2000-present
Aerobics and Fitness Association of America, Member	2001-2002
Pan American Vocology Association	2015-present
Lessac Institute	2005-present

HONORS

Phi Beta Kappa, Indiana University, Bloomington, IN	1975
B.A. in Italian/German "with distinction," Indiana University	1975
Maximum score (110/110) for graduation in Lettere e Filosofia, Università di Ferrara, Ferrara, Italy	1978
Letter of commendation for performance on doctoral qualifying examinations (highest score of year), Department of Psychology, Washington University, St. Louis, MO	1986
Dissertation fellowship, awarded on competitive basis, Department of Psychology, Washington University, St. Louis, MO	1989-90
Faculty Member of the Year, awarded by National Student Speech-Language Hearing Association (NSSLHA), The University of Iowa, Iowa City, IA, for 1990-1991 academic year.	1991
Award of Appreciation for Faculty, awarded by NSSLHA, The University of Iowa chapter, Iowa City, IA, for 1994-1995 academic year	1995
Expert Referral List, Voice and Voice Disorders, ASHA	1999-
Nomination for Vice President for Research and Technology, American Speech-Language-Hearing Association	1999
Nomination for Director of Extra-Mural Research, National Institute on Deafness and Other Communication Disorders	1999
Certificate of Outstanding Contribution, American Speech-Language-Hearing	2000

Association

- Fellow, American Speech-Language-Hearing Association 2000
- 3rd Place Prize, American Brochoesophageal Association American Laryngological Association Combined Otolaryngological Spring Meeting, Nashville, TN 2003
- Editor's Award for best paper of the year, *Journal of Voice*, Branski RC, Perera R, Verdolini K, Rosen CA, Hebda PA, & Agarwal S. Dynamic biomechanical strain inhibits IL-1 β -induced inflammation in vocal fold fibroblasts. *Journal of Voice*. 2007 21(6), 651-660. 2008
- Selection by Dean for recognition as representative of the School of Health And Rehabilitation Sciences at Women in Medicine & Science Reception, "Celebrating the Outstanding Achievements of Women Women Faculty in Medicine and Science," University of Pittsburgh. 2008
- Honors of the Association, American Speech-Language-Hearing Association (Highest honors of the Association) 2009
- G. Paul Moore Lecturer, Voice Foundation (Recognition of Career Contributions) 2011
- Poster award** ("Topic Coordinator Choice Poster Award," Recognition for Meritorious Poster), for poster presented at the American Speech-Language-Hearing Convention, San Diego, California, Ziegler, A., Doyle, A., & Verdolini Abbott, K. *The vocal warm-up: Is it truly beneficial?* Poster presented at the American-Speech-Language-Hearing Association's Convention, San Diego, California. 2011
- Best paper of year: Speech-language pathology/voice pedagogy.** Verdolini Abbott, K., Li, N. Y. K., Branski, R. C., Rosen, C. A., Grillo, E. G., Steinhauer, K., & Hebda, P. A. (2012). Vocal exercise may attenuate acute vocal fold inflammation. *Journal of Voice*, 26(6), 814.e1-13. Doi: 10.1016/j.jvoice.2012.03.008. 2013
- Best paper of year: Speech-language pathology.** Nanjundeswaran, C., Jacobson, B.H., Gartner-Schmidt, J., & Verdolini Abbott, K. (2015). Vocal Fatigue Index (VFI): Development and Validation. *Journal of Voice*, 29(4), 433-440. doi: 10.1016/j.jvoice.2014.09.012. 2016
- Competitive meritorious poster award received.** Feinstein, H., Libertus, M.E., Awan, S.N., Galera, R., & Verdolini Abbott, K. (2020). *Cognitive influences in pediatric voice treatment – a preliminary investigation*. Poster, accepted for presentation at the Annual Convention, American Speech-Language-Hearing Association, San Diego, CA. (Convention canceled.) 2020
- Best student poster presentation.** Daşdöğen, Ü., Bottalico, P., Awan, S., & Verdolini Abbott, K. *The Influence of Multisensory Input on Voice Perception and Production*. Poster presented at the Pan American Vocology Association Symposium. Minneapolis, MN. 2022
- Best oral research.** Rubino, M., Dietrich, M., & Verdolini Abbott, K. *Identity as a Barrier and Facilitator in Voice Habilitation and Rehabilitation*. Paper presented at the Pan American Vocology Association Symposium, Miami, FL. 2023
- Best PedTalk.** Verdolini Abbott, K. *Resonant Voice: Is it Time to Tap the Brakes?* PedTalk presented at the Pan American Vocology Association Symposium, Miami, FL. 2023

Career Recognition. Verdolini Abbott, K., *Standing on the Shoulders of Giants*. Invited panel participants in recognition of lifetime career contributions. Fall Voice Conference, Charlotte, NC. 2025

PROFESSIONAL ACTIVITIES

Teaching

Courses Taught at University of Iowa:

Department of Speech Pathology & Audiology (1990-1995 unless otherwise noted):

- Principles of Voice Production (taught once; 5 students)
- Voice Disorders (approx. 15 students per semester taught)
- Voice Training and Rehabilitation (approx. 5-15 students per semester taught, 1990-1995; 7 students 1999)
- Dysphagia (taught once; approx. 20 students)
- Speech-Language Pathology II: Voice Disorders section (approx. 40 students per semester taught)
- Instrumentation for Voice Analysis (co-taught with Ingo Titze and Erich Luschei) (taught once; 3 students)

Department of Music (1991-1995):

- Voice Teacher (1-3 students per semester taught)

Course Taught at Emerson College

Dept. of Communication Disorders (1995-1999):

- Voice Disorders (approx. 35-40 students per semester taught)

Courses Taught at MGH Institute of Health Professions

Department of Communication Sciences and Disorders (1996-2000 unless otherwise specified):

- Introduction to Cognitive Science; One-half of course co-taught with Pamela Hook and Charles Haynes: Foundations of Spoken/Written Language and Cognition (approx. 25-35 students per semester taught)
- Anatomy and Physiology (approx. 20 students per semester taught)
- Neuroanatomy and Physiology of Speech and Language (approx. 35 students per semester taught; 1997-1998)
- Special Topics: Update in Voice Therapy (1998; 12 students)

Courses Taught at University of Pittsburgh (2001-2017):

- Voice Disorders (approx. 30-40 students per semester taught; annually 2001-2017)
- Evaluation and Treatment of Communication Disorders (approximately 15-35 students per semester taught; 2002, 2003, 2004 twice yearly; 2006 taught in collective independent study format, 4 students)
- Doctoral seminar: Topics in Cognitive Science (co-taught with Malcolm McNeil and Connie Tompkins; 9 students; 2002)
- Doctoral seminar: Advanced Seminar in Voice Science (4 students; 2003)
- Research Strategies and Tactics in Communication Sciences and Disorders; 2006; 46 students)
- Doctoral seminar: Cognitive Science (co-taught with Malcolm McNeil; ~ 8 students, 2012)

Courses Taught at University of Delaware (2017 -):

- Seminar (master's): Special Topics – Management of Individuals with Voice and Resonance Disorders (~25 students; 2017)
- Seminar (doctoral): Motor Control and Learning (6 students, 2018)
- Voice Disorders (~ 22-29 students, 2018 -)
 - Research Principles (1-5 students, 2018-).
- Independent Study (numerous PhD students, 2017-).
- Grant Writing (2-6 students, 2020-2022).

Other

- Speech-Language Pathology: Overview and Principles of Evaluation and Treatment. Speech-Language Pathology Program, Fu Dong University, Shanghai, China (15 students, 2003).
- Voice Disorders. Academic course taught at the University of Iceland, Reykjavik, Iceland (~20 students, 2011, 2013, 2015, 2017).
- Voice Disorders: Motor Learning, Exercise Physiology, Patient Engagement. Summer Vocology Institute, University of Iowa/University of Utah, National Center for Voice and Speech, Salt Lake City, Utah (~15-40 students, 2012-2025) (note, part or full course also taught in years prior to 2012).
- Voice Disorders. California State San Marcos (distance teaching; 17 students, 2012; single class on Voice Disorders, 2013-2015).
- Voice Disorders. Salus University (on site teaching, 25 students), 2016.
- Voice Therapy. Intensive course in Vocology Master's Program, Università di Bologna and Almatu Università (2019, 2021, 2022, 2024, approximately 20-60 students per year).

Advisory and Supervisory Responsibilities

Research Advising

Speech Pathology and Audiology, University of Iowa

1991-1992	K. Linnea Peterson, M.D., post-doctoral fellow
1992	E. Finnegan, doctoral student
1992	Y. Min, M.D., post-doctoral fellow
1992-94	P. Palmer, doctoral student
1993	L. Steffen, undergraduate
1993	H. Grob, undergraduate
1993-95	E. White, doctoral student
1994-95	A. Chang, doctoral student
1993-94	M. VanMersbergen, clinical master's student
1993-94	M. Kurth-Miller, clinical master's student
1994-96	M. Taylor, clinical master's student
1993-96	S. Cookman, clinical master's student

Otology and Laryngology, Harvard Medical School (advising or consulting)

1997-98	M. Hess, M.D., phoniatics fellow
1997-98	I. Hochman, M.D., otolaryngology fellow

1998-99 R. Desloge, M.D., otolaryngology fellow

Communication Sciences and Disorders, MGH Institute of Health Professions

1998 T. Holland, clinical master's student
1998 T. Holzman, clinical master's student
1998 T. Cojerian, clinical master's student
2000 J. Walsh, clinical master's student

Communication Science and Disorders, School of Health and Rehabilitation Sciences, University of Pittsburgh (doctoral student and master's student thesis advising only)

2001-2006 Martin Brodsky, doctoral student (primary advisor)
2001-2005 Ryan Branski, doctoral student (primary advisor)
2002- Douglas Roth, doctoral student (primary advisor)
2002-2006 Elizabeth Urban (Grillo), doctoral student (primary advisor)
2002-2004 Cari Tellis, doctoral student (secondary advisor)
2003-2009 Maria Dietrich, doctoral student (primary advisor)
2003-2005 Amanda Gillespie, master's student (primary advisor, thesis)
2004-2009 Nicole Li, doctoral student (primary advisor)
2005-2008 Katherine Page Hughes, doctoral student (primary advisor)
2009-2011 Christina Dastolfo, master's student (primary advisor, thesis)
2004-2014 Kimberly Meigh, doctoral student (independent study)
2006-2013 Chaya Nanjundeswaran, doctoral student (primary advisor)
2008-2014 Aaron Ziegler, doctoral student (primary advisor)
2008-2013 Amanda Gillespie, doctoral student (primary advisor)
2008-2010 Priya Krishna, M.D., Master of Science in Clinical Research Program, University of Pittsburgh
2008-2009 Kendrea Focht, clinical doctoral student (mentor)
2008-2013 Rhona Galera, clinical doctoral student (mentor)
2009-2014 Leah Horst Helou, doctoral student (primary advisor)
2010 Rachel Harkawik, clinical doctoral student (mentor)
2012-2017 Adrianna Shembel, doctoral student (primary advisor)

Master's in Vocologia, Universita' Almatu (Ravenna, Italy)

2024 Bernardo Lanzaro and Roberto Guerricchio
2024 Alya Lovato and Beatrice Peraro

Communication Sciences and Disorders, College of Health Sciences, University of Delaware

2017-2023 Marianna Rubino, doctoral student (primary advisor)
2017-2018 Kevin Cross, master's student (Capstone project)
2017-2018 Samantha Mikels, master's student (Capstone project)
2017-2018 Katherine Ramey, master's student (Capstone project)
2017-2018 Barbara Brudnicki, master's student (Capstone project)
2018-2019 Elyse Sutherland, master's student (Capstone project)
2018-2019 Sammy Costa, master's student (Capstone project)
2018-2019 Marissa Gerhart, master's student (Capstone project)
2018-2023 Ümit Dasdögen, doctoral student (primary advisor)

2018- Martin Vivero, doctoral student (primary advisor)
 2018- Christopher Apfelbach, doctoral student (primary advisor)
 2018-2023 Hagar Feinstein, doctoral student (primary advisor)
 2019- Aude Cardona, doctoral student (primary advisor).
 2019-2020 Deanne Piekarsa, master's student (Capstone project)
 2019-2021 Maude Desjardins, post-doctoral fellow (primary advisor)
 2020-2021 Alexi Liberi, master's student (Capstone project)
 2020-2021 Andrew Jones, master's student (Capstone project)
 2021-2022 Laura Matista, master's student (Capstone project)
 2021-2022 Taylor Darden, master's student (Capstone project)
 2022- Nassim Ahmadi, visiting doctoral scholar 2022-2024; research fellow
 (2024-) (primary advisor)
 2022- Dani Geneser, master's student (Capstone project co-mentored with Ho
 Ming Chow)

Linguistics and Cognitive Science, University of Delaware

2022-2024 Maxwell Hope, doctoral student (primary advisor)

School of Music, University of Delaware

2024 Mairin Srygley, School of Music, University of Delaware (master's thesis
 committee member).

Other locations

1998-2003 Marth Munro, doctoral student, Faculty of Arts, Potchefstroomse
 Universiteit, South Africa. Member, dissertation committee.
 2000 Estella Ma, doctoral student, Communication Sciences and Disorders,
 University of Hong Kong
 2001-2004 David Putz, doctoral student, Anthropology, University of Pittsburgh.
 Member, dissertation committee.
 2005 Maria Claudia Franca, Prospectus Committee, University of Southern
 Illinois.
 2006 Mahalakshmi Sivasankar, R03 advising, Purdue University.
 2006 Heather Shaw, K08 advising, Department of Communication Sciences and
 Disorders, University of South Carolina.
 2006-2007 Maria Claudia Franca, doctoral student, Rehabilitation Institute, Southern
 Illinois University.
 2014-2017 Dana Halevi, Speech Pathology and Audiology, University of Haifa,
 Haifa, Israel (master's thesis advisor, primary)
 2020 Daniel Seda, Transpersonal Psychology, Sofia University, Palo Alto, CA
 (dissertation committee member).
 2018-2023 Nassim Ahmadi, Iran University of Medical Sciences, Tehran, Iran
 (doctoral and dissertation committee member)
 2023-2024 Marita Stryker, Shenandoah University Conservatory (DMA) (dissertation
 committee member)

Clinical Supervision

1991-1995 Supervision of clinical Master's students, Department of Speech Pathology &

- 1995 Audiology, University of Iowa, 1-5 students/semester
Outplacement supervision, Beth Israel and Brigham and Women's Hospital's Starlett Cookman
- 1995-1996 CFY supervisor, Beth Israel Hospital, Katherine DeVore
- 1997 Outplacement supervision, Beth Israel Deaconess Medical Center and Brigham and Women's Hospital, Michelle Harmon
- 1999 Outplacement supervision, Massachusetts Eye and Ear Infirmary, Carla Eigen
- 1999 Outplacement supervision, Massachusetts Eye and Ear Infirmary, Dan McCabe, D.M.A.
- 2000 Outplacement supervision, Massachusetts Eye and Ear Infirmary, Joy Walsh
- 2002-2003 CFY supervisor, Voice Center, University of Pittsburgh, Douglas Roth
- 2006 Outplacement supervisor, Voice Center, University of Pittsburgh, Julie Schlesinger
- 2015 Network supervisor, Natalie Bradshaw and Maurice Goodwin, Voice Center, University of Pittsburgh
- 2019 Clinical supervisor, Lisa Rathbun, Deanne Piekarsa, Sabrina Loomis, and Alexa Liberi, Speech-Language-Hearing Clinic, University of Delaware

Doctoral Committees (University of Iowa, MGH Institution of Health Professions, University of Pittsburgh, University of Delaware, Other)

Marita Stryker, 2023-2024. External committee member. Doctor of Musical Arts, Shenandoah University Conservatory.

Maxwell Hope, 2022-2024. Doctoral advisor. Linguistics and Cognitive Science, University of Delaware.

Daniel Seda, 2020. External committee member. Transpersonal Psychology, Sofia University.

Anne van Zelst, 2019-2024. Committee member. Communication Sciences and Disorders, University of Delaware.

Aude Cardona, 2019- . Doctoral advisor. Communication Sciences and Disorders, University of Delaware.

Hagar Feinstein, 2018-2023. Doctoral advisor. Communication Sciences and Disorders, University of Delaware.

Christopher Apfelbach, 2018-2023. Doctoral advisor. Communication Sciences and Disorders, University of Delaware.

Martin Vivero, 2018-2024 . Doctoral advisor. Communication Sciences and Disorders, University of Delaware.

Ümit Daşdoğan, 2018-2023. Doctoral advisor. Communication Sciences and Disorders, University of Delaware.

Marianna Rubino, 2017-2023 . Doctoral advisor. Communication Sciences and Disorders, University of Delaware.

Sujini Ramachandar, 2017. Committee member. Communication Science and Disorders, University of Pittsburgh. *Structural connectivity in individuals who stutter.*

Tse Choi Yeung, 2013. External examiner. Faculty of Education, University of Hong Kong. (Published paper: Examining the cognitive demands of analogy instructions compared to explicit instructions.)

Adrianna Shembel, 2012- 2018. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. Exercise-Induced Laryngeal Breathing Disorders: Features and Mechanisms.

Leah Horst Helou, 2009-2014. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. Intrinsic laryngeal muscle response to a speech preparation stressor: personality and autonomic predictors.

Amanda Gillespie, 2008-2013. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. The effects of hyper and hypocapnia on phonatory laryngeal resistance.

Aaron Ziegler, 2007- 2014. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. Effects of vocal intensity and physical activity levels on phonatory and respiratory function.

Kimberly Meigh, 2006-2014. Member, Doctoral Committee. Communication Science and Disorders, University of Pittsburgh. Rule versus instance-based learning in speech-like behavior: an evaluation of transfer and motor class effects.

Chaya Nanjundeswaran, 2006-2013. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. Metabolic mechanisms of vocal fatigue.

Maria Claudia Franca, 2005-2006. Doctoral committee. Rehabilitation Institute, Southern Illinois University Carbondale. Effects of hydration on voice performance.

Katherine Page Hughes, 2005-2008. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. (Student discontinued studies after completion of M.A. degree and subsequently pursued master's degree in vocal performance and later, M.D. degree).

Nicole Li, 2004-2009. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. Biosimulation of vocal fold inflammation and healing.

Maria Dietrich, 2003-2009. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. The effects of stress reactivity on extralaryngeal muscle tension in vocally normal participants as a function of personality.

Elizabeth Urban, 2002-2006. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. The role of sensory feedback on the coordination dynamics of a limb and voice task.

Cari Tellis, 2002-2004. Secondary advisor. Communication Science and Disorders, University of Pittsburgh.

Martin Brodsky, 2001-2006. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. Cognition in Swallowing: Is attention involved?

Ryan Branski, 2001-2005. Doctoral advisor. Communication Science and Disorders, University of Pittsburgh. Vocal Fold Fibroblast Response to Mechanical Stress.

David Putz, 2001-2004. Doctoral committee. Anthropology, University of Pittsburgh. Female choice, male dominance and the evolution of low voice pitch in men.

Marth Munro, 1998-2003. Doctoral committee. Lessac's Tonal Action in Women's Voices and the "Actor's Formant: A Comparative Study." Daan Wilson, advisor. Faculty of Arts, Potchefstroomse Universiteit, South Africa.

Elease White, 1994-1995. Doctoral advisor. Speech Pathology and Audiology, University of Iowa.

Ann Chang, 1995. Doctoral advisor. Speech Pathology and Audiology, University of Iowa.

Dolly Hough, 2000. Doctoral committee (Kenneth Phillips, dissertation advisor). Department of Music, University of Iowa. Utility of Vocal Function Exercises in reducing signs of aging in the singing voice.

Steven Emge, 1995. Doctoral committee (Kenneth Phillips, dissertation advisor). Department of Music, University of Iowa. Register training and use in the adolescent male.

Kenneth Tom, 1995. Doctoral committee (Ingo Titze, dissertation advisor). Speech Pathology and Audiology, University of Iowa. Intensity control in male falsetto phonation.

Emily Linn, 1994. Doctoral committee (Richard Hurtig, dissertation advisor). Speech Pathology and Audiology, University of Iowa. The acoustic correlates of breathy voice: A study of source-vowel interaction.

Mary Harris, 1994. Doctoral committee (Albert Gammon, dissertation advisor). Department of Music, University of Iowa. An examination of the influence of the text on Alban Berg's music in the concert aria "Der Wein." Department of Music, University of Iowa. The adolescent female voice: The effect of vocal skills instruction on measures of singing performance and breath management.

Margaret Rogers, 1992. Doctoral committee (Richard Hurtig, dissertation advisor). Speech Pathology and Audiology, University of Iowa. An investigation of the category-specific inhibition effect.

Jiaqi Jiang, 1991. Doctoral committee (Ingo Titze, dissertation advisor). Speech Pathology and Audiology, University of Iowa. Impact force, contact pattern and EGG output of the vocal folds during vibration.

Doctoral Comps, Qualifying Exam Committees, Prospectus, Dissertation

Aude Cardona, 2025. The Impact of Mindfulness Meditation on Voice Production. Prospectus.. Katherine Verdolini Abbott, primary advisor. Communication Sciences and Disorders, University of Delaware.

Aude Cardona, 2024. Voice science, perceptual-motor learning, neurophysiology in mindfulness, interoception. Katherine Verdolini Abbott, examination oversight. Communication Sciences and Disorders, University of Delaware.

Maxwell Hope, 2024. Dissertation. Creation, perception, and use of gender expansive synthetic voices. Katherine Verdolini Abbott, advisor. Linguistics and Cognitive Science, University of Delaware.

Marita Stryker, 2024. Dissertation. Recognizing the invisible: Singing with postural orthostatic tachycardia syndrome. David Meyer, advisor (Verdolini Abbott, committee member). Shenandoah University Conservatory.

Martin Vivero, 2024. Dissertation. Neurophysiological substrates of singing associated with past singing experience and task difficulty. Katherine Verdolini Abbott and Ho Ming Chow, advisors. Communication Sciences and Disorders, University of Delaware.

Anne Laurilliard van Zelst, 2024. Dissertation. Time is of the essence: Examining the time course of speech-motor learning in adolescents and young adults with and without childhood apraxia of speech. F. Sayako Earle, advisor (Verdolini Abbott, committee member). Communication Sciences and Disorders, University of Delaware.

Marita Stryker, 2024. Prospectus. Recognizing the invisible: Singing with postural orthostatic tachycardia syndrome. David Meyer, advisor (Verdolini Abbott, committee member). Shenandoah University Conservatory.

Martin Vivero, 2023. Prospectus. Neural somatosensory activity associated with singing experience and task difficulty. Katherine Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Christopher Apfelbach, 2023. Dissertation. Validation of a novel vocal demand task for measuring vocal fatigue: The Fluid Interval Test for Voice (FIT-V). Katherine Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Hagar Feinstein, 2023. Dissertation. Perception, self-awareness, and voice: 3- to 6-year-old children. Katherine Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Ümit Daşdöğen, 2023. Dissertation. Influence of Virtual Reality on Voice Perception and Production. Katherine Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Marianna Rubino, 2023. Dissertation. Psychometric, acoustic, and neurocognitive investigation of identity and phonotrauma. Katherine Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Maxwell Hope, 2022. Prospectus. Preliminary evidence of a non-binary voice gender category; Sibilant discrimination in neutral vocal tracts by gender expansive individuals; Production-perception interface of non-binary voices. Katherine Verdolini Abbott, advisor. Linguistics and Cognitive Science, University of Delaware.

Ümit Daşdöğen, 2022. Prospectus. The Influence of Virtual Reality on Voice Perception and Production. Katherine Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Christopher Apfelbach, 2021. Prospectus. Validation of a novel vocal demand task for measuring vocal fatigue. Katherine Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Marianna Rubino, 2021. Prospectus. Behavioral and neural activity during voice-centric identity challenge. Katherine Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Hagar Feinstein, 2021. Prospectus. The role of perception and awareness in vocal learning of 3- to 6-year-old children. Katherine Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Daniel Seda, 2020. Dissertation committee. *Experiencing the vocal break as a pathway to healing: A phenomenological investigation on navigating the passaggio for novice singers*. Transpersonal Psychology, Sofia University.

Ümit Daşdöğen, 2020. Qualifying exams: Instrumentation, motor learning, voice. Katherine Verdolini Abbott, examination oversight. Communication Sciences and Disorders, University of Delaware.

Martin Vivero, 2020. Qualifying exams: Experience-dependent plasticity in humans, neural control of the human voice, declarative and procedural learning and memory. Communication Sciences and Disorders, University of Delaware.

Christopher Apfelbach, 2020. Qualifying exams: Performance physiology and fatigue, Principles of patient-reported outcome measures and perceptual constructs, semi-occluded vocal tract exercises. Katherine Verdolini Abbott, examination oversight. Communication Sciences and Disorders, University of Delaware.

Hagar Feinstein, 2020. Qualifying exams: Pediatric voice, development of perception and awareness, developmental learning and memory. Katherine Verdolini Abbott, examination oversight. Communication Sciences and Disorders, University of Delaware.

Marianna Rubino, 2020. Qualifying exams: Personality, adherence, and identity. Katherine Verdolini Abbott, examination oversight. Communication Sciences and Disorders, University of Delaware.

Sujini Ramachandar, 2015. Structural neural connectivity differences between sensorimotor regions in individuals who stutter. Katherine Verdolini Abbott, Committee member (Scott Yaruss, advisor). Communication Science and Disorders, University of Pittsburgh.

Adrianna Shembel, 2015. Comprehensive frameworks in the study of laryngeal breathing disorders : An interdisciplinary approach. Katherine Verdolini Abbott, Comps advisor, Communication Science and Disorders, University of Pittsburgh.

Leah Helou, 2012. Mind-voice pathways : Exploring potential mechanisms for functional voice disorders. Katherine Verdolini Abbott, Comps advisor. Communication Science and Disorders, University of Pittsburgh.

Amanda Gillespie, 2011. The integration of voice science, psychology, and respiratory physiology. Katherine Verdolini Abbott, Comps advisor. Communication Science and Disorders, University of Pittsburgh.

Aaron Ziegler, 2011. Respiration and phonation during exercise: Understanding the dual role of the larynx in the face of a physiologic stressor. Katherine

Verdolini Abbott, Comps advisor. Communication Science and Disorders, University of Pittsburgh.

Chayadevie Nanjundeswaran, 2009. Vocal fatigue: Integrating voice science and exercise physiology. Katherine Verdolini Abbott, Comps advisor. Communication Science and Disorders, University of Pittsburgh.

Maria Dietrich, 2008. Voice, emotions, stress, and autonomic nervous system mediation. Katherine Verdolini Abbott, Comps advisor. Communication Science and Disorders, University of Pittsburgh.

Nicole Li, 2007. When mathematics meets biology: Towards mathematical modeling of vocal fold wound healing in phonotrauma. Katherine Verdolini Abbott, Comps advisor. Communication Science and Disorders, University of Pittsburgh.

Elizabeth Urban, 2005. Motor control and learning, voice disorders, voice therapy. Katherine Verdolini, Comps advisor. Communication Science and Disorders, University of Pittsburgh.

Cari Tellis, 2003. Laryngeal muscle anatomy and physiology. Katherine Verdolini, Committee member.

Ryan Branski, 2003. Exercise and wound healing; clinical voice disorders. Katherine Verdolini, Comps advisor.

Martin Brodsky, 2001. Motor learning and control. Katherine Verdolini, Comps advisor. Communication Science and Disorders, University of Pittsburgh.

Ann Chang, 1997. Voice and voice disorders. Michael Karnell, comps advisor. Speech Pathology and Audiology, University of Iowa.

Darlene Fett, 1991. The adolescent female voice: The effect of vocal skills instruction on measures of singing performance and breath management. Kenneth Phillips, comps advisor. Department of Music, University of Iowa.

Emily Linn, 1991. A perceptual study on the roughness of synthetic vowels. Richard Hurtig, comps advisor. Department of Speech Pathology and Audiology.

Kenneth Tom, 1991. Intensity control in male falsetto phonation. Ingo R. Titze, comps advisor. Speech Pathology and Audiology, University of Iowa.

Master's Theses and Capstone Papers

Marcie Kurth Miller, 1994-1995. The frequency of voice disorders in teachers of

singing. Master's thesis. Katherine Verdolini, thesis advisor. Department of Speech Pathology and Audiology, University of Iowa.

Miriam VanMersbergen, 1995-1996. Time-of-day effects on voice range performance in young, vocally untrained adult females. Master's thesis. Katherine Verdolini, thesis advisor. Speech Pathology and Audiology, University of Iowa.

Margaretta Taylor, 1996-1997. Articulatory influences in the perception of German versus Italian tonal ideals in classical singing. Master's thesis. Katherine Verdolini, thesis advisor. Speech Pathology and Audiology, University of Iowa.

Starlett Cookman, 1996-1997. Interrelation of mandibular and laryngeal functions. Master's thesis. Katherine Verdolini, thesis advisor. Speech Pathology and Audiology, University of Iowa.

Joy Walsh, 2000-2001. Effects of topical anesthesia on laryngeal secretions. Master's thesis. Katherine Verdolini, thesis advisor. Communication Sciences and Disorders, MGH Institute of Health Professions.

Amanda Gillespie, 2004-2005. The influence of clinical terminology on self-efficacy for voice. Master's thesis. Katherine Verdolini, thesis advisor. Communication Science and Disorders, University of Pittsburgh.

Natalie Bradshaw, 2015-2016 (Master's thesis on swallowing under the direction of Dr. James Coyle). K. Verdolini Abbott, thesis committee member. Communication Science and Disorders, University of Pittsburgh.

Maurice Goodwin, 2015-2016 (Master's thesis in voice, co-chaired with Dr. Amanda Gillespie). Katherine Verdolini Abbott, co-advisor. Communication Science and Disorders, University of Pittsburgh.

Bridget Xia, 2015-2016 (Master's thesis in ethics under the direction of Dr. Paula Leslie). K. Verdolini Abbott, thesis committee member. Communication Science and Disorders, University of Pittsburgh.

Dana Halevi, 2014-2017. Treatment of exertion-induced paradoxical vocal fold motion (PVFM) using Buteyko Breathing Technique (BBT) therapy. Master's thesis. Katherine Verdolini Abbott, external thesis advisor. Speech Pathology and Audiology, University of Haifa.

Christina Dastolfo, 2010-2011. Effects of repetition on phonation threshold pressure task performance. Master's thesis. Katherine Verdolini Abbott, thesis advisor. Communication Science and Disorders, University of Pittsburgh.

Kevin Cross, 2017-2018. The effects of group singing on the vocal parameters of adults with mild-moderate stage Parkinson's disease. Capstone project, Non-

CAT (data-based). K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Samantha Mikels, 2017-2018. Quality-of-life benefits of group singing for people with Parkinson's disease. Capstone project, Non-CAT (data-based). K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Katherine Ramey, 2017-2018. Music as an aid for language learning. Capstone project, Critically appraised topic. K. Verdolini Abbott, advisor. Communication Science and Disorders, University of Delaware.

Barbara Brudnicki, 2017-2018. Speech-Language Pathology case study: evaluation and treatment of adult female with Bell's Palsy. Capstone project, non-CAT (data-based). K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Samantha Costa, 2018-2019. We all deserve to find our voice and be heard: the implications of vocal identity for individuals with complex communication needs (CCNs). Capstone project, Critically appraised topic. K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Melissa Gerhart, 2018-2019. Paradoxical vocal fold movement disorder. Capstone project, Critically appraised topic. K. Verdolini Abbott. Communication Sciences and Disorders, University of Delaware.

Elyse Sutherland, 2018-2019. Should professionals be looking at the voices of people with Ehlers-Danlos Syndrome: an initial inquiry of professionals treating voice disorders. Capstone project, Non-CAT (data-based). K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Deanne Piekarsa, 2018-2020. (Running title: Potential treatment of Primary Muscle Tension Dysphonia with Hypnosis.) Capstone project, Critically appraised topic. K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Alexa Liberi, 2019-2021. A review of current literature on vocal fatigue: Psychosocial and physiological factors. Capstone project, Critically appraised topic. K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Andrew Jones, 2019-2021. A hard plague to swallow: Telepractice and dysphagia during the COVID-19 pandemic. Capstone project, Critically appraised topic. K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Taylor Darden (2020-2022). Reflux, or something else? The Speech-Language Pathologist's role in treating, assessing, and advocating for patients with reflux diagnoses. Capstone project, Critically appraised topic. K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Laura Matista (2020-2022). Survey of vocal health and risk factors for voice disorders in figure skating coaches: Preliminary data. Capstone project, Original research. K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Daisy Martinez (2021-2023). Exploring outcomes of response elaboration training (RET) and verb network strengthening treatment (VNeST) for utterance expansion in individuals with aphasia. Capstone project, Critically appraised topic. K. Verdolini Abbott, advisor. Communication Sciences and Disorders, University of Delaware.

Dani Geneser (2023-2024). Could playing a wind instrument improve cough, swallowing, and voice in individuals with neurodegenerative diseases? A literature review. Capstone project, Critically appraised topic. H.M. Chow and K. Verdolini Abbott, advisors. Communication Sciences and Disorders, University of Delaware.

Mairin Srygley (2024). Never asked: A pilot study on the prevalence of hypermobility among singers. K. Verdolini Abbott, committee member. Master's thesis, School of Music, University of Delaware.

Alya Lovato & Beatrice Peraro (2024). *Utilizzo di tecniche delle arti performative per migliorare la proiezione vocale della voce parlata patologica*. (The use of performing arts techniques to improve projection in the pathological speaking voice.) K. Verdolini Abbott, advisor. Master's thesis, Master in Vocologia, Università Almatu, Ravenna, Italy.

Bernardo Lazaro & Roberto Guerricchio (2024). *Doppio compito, funzioni esecutive e principi dell'apprendimento motorio: Una proposta di training per la riabilitazione e la pedagogia della voce artistica*. (Dual task, executive functions and motor learning principles: A proposal for training for the rehabilitation and pedagogy of the artistic voice.) K. Verdolini Abbott, advisor. Master's thesis, Master in Vocologia, Università Almatu, Ravenna, Italy.

Professional Presentations (Peer-reviewed; small local events excluded)

Peer-reviewed (Invited presentations in this section also peer-reviewed)

2026 Verdolini Abbott, K. (Moderator). Tissue regeneration and wound healing: Advancing recovery through innovative therapies. Panel at the Pan European Voice Conference, Istanbul, Turkey. (Panelists Aysegul Batioglu Karaaltin, Ümit Dasdogan, Benjamin Laitman, Cihan Taştan, Nicole Li-Jessen.)

- 2026 Verdolini Abbott, K. (Moderator). Breathing and Respiratory Support. Panel at the Pan European Voice Conference, Istanbul, Turkey. (Panelists Johan Sundberg, Anne-Marie Speed, Jenny Iwarsson, Carlos Aransay, Lisa Popeil, Claudio Milstein.)
- 2025 Daşdöğen, Ü. & Verdolini Abbott, K. Disentangling Locus and Target of Attention in Voice Motor Learning: Behavioral and Neurophysiological Evidence. Paper presented at the Fall Voice Conference, Charlotte, NC.
- 2025 Verdolini Abbott, K. & Guzman, M. *Primary Muscle Tension Dysphonia – the Term has Got to Go*. Paper presented at the Pan American Vocology Association Symposium (hybrid), Mexico City, Mexico.
- 2025 Daşdöğen, Ü., Hitchok, J., & Verdolini Abbott, K. *The Impact of Visual Input on Vocal Intensity in Immersive Virtual Reality: Effects of Speaker-to-Listener Distance and Room Size*. Paper presented at the 54rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2025 Cardona, A. & Verdolini Abbott, K. *What is it like to sing?* Paper presented at the 54rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2025 Guerricchio, R. & Lanzaro, B. *Application of Dual-Task Training in the Context of Perceptual-Motor Learning Principles in Voice Learning: A Workshop and Training Proposal for Voice Teachers and Speech Language Pathologists*. Workshop presented at the 54rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2025 Lanzaro, B. & Guerricchio, R. *Enhancing Vocal Skills Through Dual-Task Training: Practical Applications and Correlation of Cognitive Functions and Voice Rehabilitation*. Workshop presented at the 54rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2025 Porcaro, S., Lanzaro, B., & Verdolini Abbott, K. *A randomised controlled study: The correlation between cognitive functions and voice in rehabilitation*. Paper presented at the 54rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2025 Lanzaro, B. & Verdolini Abbott, K. *Application of dual-task training in the context of perceptual-motor learning principles in voice learning*. Paper presented at the 54rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2025 Verdolini Abbott, K., Lanzaro, B., & Guerricchio, R. *Doppio compito, funzioni esecutive e principi dell'apprendimento motorio: una proposta di training per la riabilitazione e la pedagogia della voce artistica*. (Dual-task, executive functions, and motor learning principles: a proposal for training in rehabilitation and voice pedagogy for the artistic voice.) *Invited presentation at Voice Day*, Perugia, Italy.
- 2024 Cardona, A. & Verdolini Abbott, K. *The impact of mindfulness meditation on voice production (preliminary data) – emphasis on micro-phenomenology*. Presentation at Conference Initiative Practices, The Mind and Life Institute Europe, Chamonix, France.

- 2024 Rubino, M., Dietrich, M., & Verdolini Abbott, K. *Psychometric, acoustic, and neurocognitive investigation of identity and phonotrauma*. Paper presented at the 53rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2024 Apfelbach, C.S., Sandage, M., & Verdolini Abbott, K. *Perceived exertion and vocal fold vibratory dose responses to the Fluid Interval Test for Voice (FIT-V) compared to a loud oral reading task*. Paper presented at the 53rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2024 Apfelbach, C.S., Sandage, M., & Verdolini Abbott, K. *Changes in laryngeal diadochokinetic rate and aerodynamic variables during the Fluid Interval Test for Voice (FIT-V)*. Paper presented at the 53rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2024 Cardona, A., Verdolini Abbott, K., Pagnoni, G., Awan, S., & Schneider, K. *The impact of mindfulness meditation on motor voice production*. Paper presented at the 53rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2024 Vivero, M., Chow, H.M., Apfelbach, C.S., & Verdolini Abbott, K. *Individual differences in brain activity of naïve singers following one month of singing practice*. Paper presented at the 53rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2024 Feinstein, H., Morini, G., Shaffer, A.D., Dohar, J. E., & Verdolini Abbott, K. *Voice perception and self-awareness in children with and without voice disorders*. Paper presented at the 53rd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2023 Rubino, M., Dietrich, M., & Verdolini Abbott, K. (2023, October). *Identity orientation in individuals with phonotraumatic voice disorders*. Poster, The Fall Voice Conference, Washington, DC.
- 2023 Verdolini Abbott, K. *Resonant voice: Is it time to tap the brakes?* PedTalk presented at the Pan American Vocology Association Symposium, Miami, FL.
- 2023 Rubino, M., Dietrich, M., & Verdolini Abbott, K. *Identity as a factor in voice habilitation and facilitator/barrier in voice rehabilitation*. Paper presented at the Pan- American Vocology Association Annual Symposium, “Hybrid PAVA,” Miami, FL.
- 2023 Apfelbach, C., Sandage, M., & Verdolini Abbott, K. *Design and creation of the fluid interval test for voice (FIT-V): A novel vocal demand task*. Paper presented at the 52nd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2023 Stryker, M., Dilworth, Verdolini Abbott, K., & Meyer, D.M. *The effect of humming tasks on psychophysiological markers of anxiety within the applied voice lesson*. Paper

- presented at the 52nd Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2023 Daşdöğen, Ü., Verdolini Abbott, K. *The influence of multisensory input on voice*. Invited presentation at the 30th Congress of the Union of European Phoniaticians, Antalya, Turkey.
- 2023 Verdolini Abbott, K. *Perceptual-motor learning in voice training*. Invited presentation at the 30th Congress of the Union of European Phoniaticians, Antalya, Turkey.
- 2022 Desjardins, M., Lagadec-Gaulin, L., Verdolini, K.A. *Effect of attention to respiratory sensations on speech breathing coordination in older speakers*. Presentation at the International Society of the Advancement of Respiratory Psychophysiology, online.
- 2022 Rubino, M., & Verdolini Abbott, K. *Student impressions of Lessac Kinesics Training*. Poster presented at the Pan-American Vocology Association Annual Symposium, Minneapolis, MN.
- 2022 Feinstein, H. & Verdolini Abbott, K. *Cognitive developmental model of vocal learning in children*. Presentation at the Pan American Vocology Association Symposium. Minneapolis, MN.

- 2020 Verdolini Abbott, K. (2020, May). *Confessions in voice therapy and training*. Invited presentation, 1er Congreso Virtual de Vocología Aplicada VOCAP 2020 (First Virtual Congress on Applied Vocology, VOCAP 2020).
- 2020 Verdolini Abbott, K. (2020, April). *Voice Therapy Spectrum*. Two-day continuing education seminar. Sponsored by www.visionsinvoice.com.
- 2020 Verdolini Abbott, K. (March 2020, pending transition to online format). *Voice Therapy Spectrum and Adventures in Voice*. Three-day continuing education seminar for Italian speech-language pathologists. Sponsored by Forma Mentis, Torino, Italy.
- 2020 Verdolini Abbott, K. (March 2020). *Vocal Energies: Madsen and Lessac* (one-day continuing education seminar for Italian speech-language pathologists, pending transition to online format). Sponsored by Forma Mentis, Torino, Italy.
- 2020 Verdolini Abbott, K. (March 2020). Motor learning principles applied to professional voice training. Invited webinar for teachers of singing, Australian National Association of Teachers of Singing.
- 2020 Verdolini Abbott, K. (February 2020). *Advances in Pediatric and Adult Voice Therapy: Anatomy and Physiology; Differential Diagnosis in Voice; Voice Intervention; Case Studies*. One-day continuing education seminar sponsored by NSSLHA Texas Tech University Health Sciences Complex, Lubbock, TX.
- 2020 Verdolini Abbott, K. (January 2020). *Voice Therapy Spectrum*. Two-day continuing education webinar, sponsored by www.visionsinvoice.com.

- 2019 Verdolini Abbott, K. (October 2019). *Voice science*. One-hour class as part of UD rehabilitation series, St. Mark’s High School, Newark, DE.
- 2019 Verdolini Abbott, K. (September 2019). *Voice science*. One-hour class as part of UD rehabilitation series, Newark High School, Newark, DE. Rita Landgraf High School thing (other high school thing – Gina)
- 2019 Verdolini Abbott, K. (2019 October). *Voice science*. One-hour class as part of UD rehabilitation science series, Newark High School, Newark, DE.
- 2019 Verdolini Abbott, K. (2019 October). *Workshop su “Lessac-Madsen Resonant Voice Therapy” e “Casper-Stone Confidential Flow Therapy:” La voce risonante nel canto - prevenzione e recupero* (Workshop on Lessac-Madsen Resonant Voice Therapy and Casper-Stone Confidential Flow Therapy: Resonant voice in singing – prevention and recovery). Invited presentation at international conference, “Voce Artistica,” Ravenna, Italy.
- 2019 Verdolini Abbott, K. (2019 September). *Resonant voice singing exercises may attenuate inflammatory mediator concentrations in acute phonotrauma*. Invited presentation at international conference, VoiceIstanbul, Istanbul, Turkey.
- 2019 Verdolini Abbott, K. (2019 September). *Resonant voice therapy: Brief introduction*. Invited workshop at international conference, VoiceIstanbul, Istanbul, Turkey.
- 2019 Daşdöğen, U. & Verdolini Abbott. *Motor learning principles and voice*. Invited presentation at VoiceIstanbul International Voice Conference, Istanbul, Turkey.
- 2019 Daşdöğen, U. & Verdolini Abbott. *Acoustical applications in voice training*. Invited presentation at VoiceIstanbul International Voice Conference, Istanbul, Turkey.
- 2019 Verdolini Abbott, K. (2019 May). *Le scienze di base nella terapia vocale* (Basic sciences in voice therapy). Two-day intensive course in Vocology Master’s degree program, University of Bologna, held in Ravenna, Italy.
- 2019 Verdolini Abbott, K. (2019 April). *Voice Therapy Spectrum*. Two-day continuing education webinar, sponsored by www.visionsinvoice.com.
- 2019 Verdolini Abbott, K. (2019 January). *Adventures in Voice*. Two-day continuing education webinar, sponsored by www.visionsinvoice.com.
- 2018 Verdolini Abbott, K. & Roth, D. (2018). *Inflammation, Infection*. Invited presentation, European Cooperation in the Field of Scientific Research: Advanced Voice Function Assessment in Europe: Brain Creativity, Allergy, Infection, Cough, and Voice. Copenhagen, Denmark.
- 2018 Roth, D. & Verdolini Abbott, K. (2018). *Allergy and voice*. Invited presentation, European Cooperation in the Field of Scientific Research: Advanced Voice Function

Assessment in Europe: Brain Creativity, Allergy, Infection, Cough, and Voice.
Copenhagen, Denmark.

- 2018 Verdolini Abbott, K. (2018). *Cough and paradoxical vocal fold motion disorder*. Invited presentation, European Cooperation in the Field of Scientific Research: Advanced Voice Function Assessment in Europe: Brain Creativity, Allergy, Infection, Cough, and Voice. Copenhagen, Denmark.
- 2018 Verdolini Abbott, K. (2018). *Bringing Lessac Theatre Voice and Speech to the Singing Studio*. Invited webinar, Be a Singing Teacher, London, England.
- 2018 Verdolini Abbott, K. (2018). *Lessac-Madsen Resonant Voice Therapy*. Two-day CEU webinar sponsored by Visions in Voice (www.visionsinvoice.com).
- 2018 Verdolini Abbott, K. (2018). *Pediatric voice therapy*. Two-day invited presentation, Speech and Hearing Services Section, Education Bureau of Hong Kong, Hong Kong, China.
- 2018 Verdolini Abbott, K., Nanjundeswaran., C., Tellis, C., & Apfelbach, C. (2018). *Vocal fatigue, potential physiology mechanisms and therapy implications*. Eleventh ICVPB Pre-Symposium: Vocal effort, vocal fatigue, and vocal load. East Lansing, MI.
- 2018 Verdolini Abbott, K. (2018). *Motor learning principles in voice training*. Three-hour invited presentation, Vocology in Practice, Los Angeles, CA.
- 2018 Verdolini Abbott, K. (2018). *Voice Therapy Spectrum*. Two-day face-to-face continuing education presentation sponsored by ENT Laser Hearing and Speech Therapy Centre, Hong Kong, China.
- 2018 Verdolini Abbott, K. (2018). *Voice Therapy Spectrum*. Two-day continuing education webinar, sponsored by Visions in Voice (www.visionsinvoice.com).
- 2017 Verdolini Abbott, K. (2017). *Voice science*. One-hour presentation at Newark High School, invited by College of Health Sciences, University of Delaware, Newark, Delaware.
- 2017 Verdolini Abbott, K. (2017). *Traditional models of voice therapy for children – and their gaps*. Presentation at Comunikrte conference on pediatric voice, Temuco, Chile.
- 2017 Verdolini Abbott, K. (2017). *Developmental issues in voice therapy for children: Larynx and cognition*. Presentation at Comunikrte conference on pediatric voice, Temuco, Chile.
- 2017 Verdolini Abbott, K. (2017). *Principles of compliance and engagement for children in voice therapy*. Presentation at Comunikrte conference on pediatric voice, Temuco, Chile.

- 2017 Verdolini Abbott, K. (2017). *Biomechanics and biology in vocal fold wound healing*. One-hour presentation at Milton J. Dance, Jr., Head and Neck Center, GBMC, Baltimore, MD.
- 2017 Verdolini Abbott, K. (2017). *“Managing” singers in crisis*. MedSpeech Voice, Swallow, Airway Conference, Jupiter, Florida.
- 2017 Verdolini Abbott, K. (2017). *Voice and emotions*. MedSpeech Voice, Swallow, Airway Conference, Jupiter, Florida.
- 2017 Verdolini Abbott, K. (2017). *Voice therapy “techniques.”* MedSpeech Voice, Swallow, Airway Conference, Jupiter, Florida.
- 2016 Verdolini Abbott, K. (2016). *Stress and voice*. One-day invited presentation, Speech-Language and Audiology Canada (Canadian equivalent of ASHA), Halifax, Canada.
- 2016 Verdolini Abbott, K. (2016). *Resonant voice therapy: Biomechanics, biology, and learning*. Invited talk, Department of Communicative Sciences and Disorders, Michigan State University, East Lansing, Michigan.
- 2015 Verdolini Abbott, K. (2015). *Creating voice therapy programs: Errors, imagination, and random insights*. Invited talk, Sociedad Iberoamericana de Vocologia, Santiago, Chile.
- 2015 Verdolini Abbott, K. (2015). *Motor learning principles: Some surprises in store*. Invited talk, Sociedad Iberoamericana de Vocologia, Santiago, Chile.
- 2015 Verdolini Abbott, K. (2015). *Patient compliance (engagement)*. Invited talk, Sociedad Iberoamericana de Vocologia, Santiago, Chile.
- 2015 Verdolini Abbott, K. (2015). *A model of voice therapy: Science and a pinch of post-modernism*. Invited talk, Sociedad Iberoamericana de Vocologia, Santiago, Chile.
- 2015 Verdolini Abbott, K. (2015). *Voice Therapy Spectrum*. Videorecordings of full course on Lessac-Madsen Resonant Voice Therapy, Casper-Stone Confidential Flow Therapy, and Individualized Principled Voice Therapy in the Moment (approximately 20 hours of video recordings). Sociedad Iberoamericana de Vocologia, Santiago, Chile.
- 2015 Verdolini Abbott, K. (2015). *Adventures in Voice*. Two-day invited seminar and simultaneous webinar, sponsored by Visions in Voice, Children’s Therapy Unit – MultiCare Health System, Puyallup, Washington.
- 2015 Verdolini Abbott, K. (2015). *Question and Answer Session with Master Clinician*. Key note presentation, Fall Voice Conference, Pittsburgh, Pennsylvania.
- 2015 Verdolini Abbott, K. (2015). *Voice Therapy Spectrum and Adventures in Voice*. Three-day invited seminar and simultaneous webinar, sponsored by ENT Laser Hearing & Speech Therapy Centre, Sydney, Australia.

- 2015 Verdolini Abbott, K. (2015). Emerging Models of Voice Therapy for Children: Voice Conservation – Adieu! Invited key-note presentation, CPLOL (European Congress of Speech-Language Pathologists), Florence, Italy.
- 2015 Verdolini Abbott, K. (2015). Voice Therapy Spectrum. Invited two-day presentation, New York University, New York, New York (co-sponsored by Visions in Voice, Lawrence, Kansas).
- 2015 Verdolini Abbott, K. (2015). The Future of Voice Therapy? Invited presentation at the 9th Voice Therapy Conference, Pittsburgh, Pennsylvania.
- 2015 Verdolini Abbott, K. (2015). Voice Therapy Spectrum. Two-day webinar for European clinicians, sponsored by Visions in Voice, Lawrence, Kansas.
- 2015 Verdolini Abbott, K. (2015). Adventures in Voice. Two-day webinar sponsored by Visions in Voice, Lawrence, Kansas.
- 2014 Verdolini Abbott, K. (2014). Adventures in voice. Two-day invited conference sponsored by Universidad UCINF, Santiago, Chile.
- 2014 Li, N.Y.K. & Verdolini Abbott, K. (2014). Computational Modeling in Vocal Fold Trauma. Invited presentation, MIRM Computational Modeling Workshop, Pittsburgh, Pennsylvania.
- 2014 Verdolini Abbott, K. (2014). Voice Therapy Spectrum. Two-day webinar sponsored by Visions in Voice, Lawrence, Kansas
- 2014 Verdolini Abbott, K. Voice Therapy Spectrum. Two-day invited webinar sponsored by ENT Laser, Hong Kong, China. (First day shared with Adventures in Voice, next.)
- 2014 Verdolini Abbott, K. (2014). Adventures in Voice. Two-day invited webinar sponsored by ENT Laser, Hong Kong, China. (First day shared with Voice Therapy Spectrum, above.)
- 2014 Verdolini Abbott, K. *Adventures in Voice*. Two-day webinar sponsored by Multivoicedimensions, Kankakee, IL.
- 2014 Vodovotz, Y. & Verdolini Abbott, K. Podcast. McGowan Institute for Regenerative Medicine.
- 2014 Verdolini Abbott, K. “*Do as I Do, Not As I Say: Principles of Motor Learning Applied to Speech-Language Pathology.*” Invited double session, Ohio Speech-Language-Hearing Association, Columbus, OH.

- 2014 Verdolini Abbott, K. *Biological Pathways in Mind-Body Relations in Voice*. Invited presentation, Las Condes Clinic Conference, Santiago, Chile.
- 2014 Verdolini Abbott, K. *Perceptual-Motor Learning Principles Applied to Speech-Language Pathology*. Invited presentation, Las Condes Clinic Conference, Santiago, Chile.
- 2014 Verdolini Abbott, K. *Prevention and Treatment of Voice Problems in Teachers*. Invited presentation, Las Condes Clinic Conference, Santiago, Chile.
- 2014 Verdolini Abbott, K. *The Role of Tissue Mobilization in the Treatment of Vocal Fold Injury*. Invited presentation, Las Condes Clinic Conference, Santiago, Chile.
- 2014 Verdolini Abbott, K. *Voice Therapy in Children: Special Considerations*. Invited presentation, Las Condes Clinic Conference, Santiago, Chile.
- 2013 Verdolini Abbott, K. *Voice Therapy Spectrum and Adventures in Voice*. Three-day webinar sponsored by Multivoicedimensions, Kankakee, IL.
- 2013 Verdolini Abbott, K. *Adventures in Voice*. Two-day webinar sponsored by Multivoicedimensions, Kankakee, IL.
- 2013 Verdolini Abbott, K. *Voice and Motor Learning Principles for Adult-Focused Clinicians within the Larger Context of Plasticity*. Invited presentation, Conference of the Alberta College of Speech-Language Pathologists and Audiologists, Edmonton, Alberta (Canada).
- 2013 Verdolini Abbott, K. *I Disturbi della Voce nell'Adulto e nel Bambino: Nuovo Modello per le Terapie Vocali* (Voice Disturbance in the Adult and the Child: New Model for Voice Therapy). Invited 3-day presentation, IPERTESTO, Florence, Italy.
- 2013 Verdolini Abbott, K. *Nuove considerazioni biomeccaniche e biologiche nella terapia vocale* [New biomechanical and biological considerations in voice therapy]. Invited paper, Congresso sulle Disfonie CRS Amplifon [Congress on Dyphonias CRS Amplifon]. Sorrento, Italy.
- 2013 Verdolini Abbott, K. *Vocal economy and motor learning principles in voice therapy; RCT data*. Invited presentation at Pittsburgh Voice Therapy Conference, Pittsburgh, Pennsylvania.
- 2013 Verdolini Abbott, K. *"New Voice:" Biomechanics, Biology, Learning, Personalization*. One-day invited presentation, Delaware Speech-Language-Hearing Association Convention. Dover, Delaware.

- 2013 Verdolini Abbott, K. *Application of research to clinic: Contemporary models of voice therapy*. One-day invited presentation, Christiana Care. Newark, Delaware.
- 2013 Verdolini Abbott, K. *Science and theology; Religion, spirituality and health*. Invited presentation for World Voice Day, University of Hawaii. Honolulu, Hawaii.
- 2013 Verdolini Abbott, K. *Voice therapy spectrum*. Two-day webinar sponsored by Multivoicedimensions.
- 2013 Verdolini Abbott, K., *Voice therapy for adults*. Half-day invited presentation, Michigan Speech-Language-Hearing Association Annual Conference. Dearborn, Michigan.
- 2013 Verdolini Abbott, K., *Voice therapy for children*. Half-day invited presentation, Michigan Speech-Language-Hearing Association Annual Conference. Dearborn, Michigan.
- 2012-2013 Verdolini Abbott, K., *Adventures in Voice*. Two-day webinar sponsored by Multivoice dimensions (September, October, November 2012; January 2013).
- 2012 Verdolini Abbott, K. *Hot topics in (resonant) voice therapy and training*. One-day invited course sponsored by London Special Interest Group: Voice. London, England.
- 2012 Vodovotz, Y. & Verdolini Abbott, K. *Measurement, modeling, and rational modulation of inflammation and wound healing*. Regenerative Rehabilitation Symposium, Pittsburgh, Pennsylvania.
- 2012 Verdolini Abbott, K. *Adventures in Voice*. Two-day invited course, sponsored by ENT Laser. Hong Kong, China.
- 2012 Verdolini Abbott, K. *Voice therapy spectrum*. Two-day invited course, sponsored by Multivoicedimensions. Sacramento, California.
- 2012 Verdolini Abbott, K. *Madsen and Lessac "energy" in voice training and therapy*. One-day invited course, sponsored by Multivoicedimensions. Sacramento, California.
- 2012 Verdolini Abbott, K. *Voice Therapy Spectrum; Basic and Advanced Courses*. Invited course sponsored by Multivoicedimensions, Cleveland, Ohio.
- 2012 Verdolini Abbott, K. *First Principles of Voice Therapy for Children: Practical Tips for a New Generation*. Georgia Organization of School Speech Language Pathologists, Atlanta, Georgia.
- 2012 Verdolini Abbott, K. *Role of tissue mobilization for reduction of acute vocal fold inflammation*. Invited speaker, McGowan Institute for Regenerative Medicine Retreat, Woodlands Nemaquin Resort, Farmington, Pennsylvania

- 2012 Verdolini Abbott, K. *William McIver Lectures in Vocal Pedagogy*. School of Music, University of North Carolina at Greensboro, Greensboro, North Carolina.
- 2012 Verdolini Abbott, K. *Voice Therapy Spectrum*. Invited webinar sponsored by Multivoicedimensions.
- 2012 Verdolini Abbott, K. *Voice Therapy Spectrum*. Invited webinar sponsored by Multivoicedimensions.
- 2012 Verdolini Abbott, K. *Adventures in Voice*. Invited webinar sponsored by Multivoicedimensions.
- 2011 Verdolini Abbott, K. *Mind-Body-Voice-Meditation*. Invited presentation, School of Theology Interdisciplinary Seminar, Boston University, Boston, Massachusetts.
- 2011 Verdolini Abbott, K. *Adventures in Voice*. Webinar sponsored by Multivoicedimensions.
- 2011 Hammarberg, B. & Verdolini Abbott, K. *Analyzing Voices with Ears, Brain and Heart*. Invited mini-seminar presented at the European Academy of Voice Tutorial Workshop, Marseilles, France.
- 2011 Verdolini Abbott, K. *Voice Therapy Spectrum; Basic and Advanced Courses*. Invited course sponsored by Multivoicedimensions, Rockville, Maryland.
- 2011 Verdolini Abbott, K. *Geneology of Hydration Research in Voice*. Invited presenter, Symposium on Semi-Occluded Vocal Tract in Voice, National Center for Voice and Speech, Salt Lake City, Utah.
- 2011 Verdolini Abbott, K. *Semi-Occluded Vocal Tract in Resonant Voice: Biomechanics and Biology*. Key-note presenter, Symposium on Semi-Occluded Vocal Tract in Voice, National Center for Voice and Speech, Salt Lake City, Utah.
- 2011 Verdolini Abbott, K. *Science and Theology; Religion and Health*. Invited G.P. Moore Lecture, 40th Annual Symposium: Care of the Professional Voice. Philadelphia, Pennsylvania.
- 2011 Verdolini Abbott, K. *Adventures in Voice: A Whole New Way of Doing things for Kids*. Two-day seminar sponsored by Multivoicedimensions, Bridgewater State College, Bridgewater, MA.
- 2011 Verdolini Abbott, K. *Voice Therapy for Children: To Do or Not to Do*. Invited presenter, Update in Pediatric Airway, Voice, and Swallowing Disorders, Harvard Medical School, Boston, MA.
- 2011 Verdolini Abbott, K. *Adventures in Voice: A Whole New Way of Doing Things for Kids*. Two-day invited seminar, OMNI Clinic, Brooklyn, NY.

- 2011 Verdolini Abbott, K. *Teaching Singing: The “Oops” Factor*. Invited presenter, Ohio State University Voice Forum, Columbus, OH.
- 2011 Verdolini Abbott, K. *To Arthur Lessac: A Tribute*. Key-note speaker, Sixth Annual Conference, Lessac Training and Research Institute, State College, PA.
- 2010 Verdolini Abbott, K. *Adventures in Voice: A Whole New Way of Doing Things for Kids*. Two-day seminar sponsored by Multivoicedimensions, Tampa, FL.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy: Basic and Advanced Courses*. Three-day seminar sponsored by Multivoicedimensions, Galwey, Ireland.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy: Basic and Advanced Courses*. Three-day seminar sponsored by Multivoicedimensions, Calgary, Alberta.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy: Basic and Advanced Courses*. Three-day seminar sponsored by Multivoicedimensions, San Antonio, TX.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy: Basic and Advanced Courses*. Three-day seminar sponsored by Multivoicedimensions, Indianapolis, IN.
- 2010 Verdolini Abbott. *Lessac-Madsen Resonant Voice Therapy: Basic and Advanced Courses*. Three-day seminar sponsored by Multivoicedimensions, San Antonio, TX.
- 2010 Verdolini Abbott. *Voice therapy for hyperfunctional disorders in children*. Invited presentation, World Voice Congress, Seoul, Korea.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy: Adults and Kids*. Two-day invited seminar, Taiwan Speech-Language-Hearing Association, Taipei, Taiwan.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy: Adults and Kids*. Two-day invited seminar, ENT Laser Hearing and Speech Therapy Centre, Hong Kong, China.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy: Adults and Kids*. Two-day invited seminar, Singapore General Hospital, Singapore.
- 2010 Verdolini Abbott, K. *Voice therapy primer*. Invited lecture, Post-Graduate Allied Health Institute, Singapore.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy: Adults (Basic and Advanced Courses) and Kids*. Three-day seminar sponsored by Multivoicedimensions, Philadelphia, PA.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy: Basic and Advanced Courses*. Three-day seminar sponsored by Multivoicedimensions, Long Beach, CA.

- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy 5-10*. Half-day invited seminar presented by Multivoicedimensions. Long Beach, CA.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy*. Two-day invited seminar presented by “Ipertesto,” Naples, Italy.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy*. Two-day invited seminar presented by the “Universita’ degli Studi di Milano, Dipartimento di Scienze Cliniche ‘Luigi Sacco,’ Cattedra e Schola di Specializzazione in Otorinolaringoiatria.” Milan, Italy.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy and Lessac-Madsen Resonant Voice Therapy 5-10*. Two-day invited seminar presented by the School of Communication Sciences and Disorders, McGill University, Quebec, Montreal.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy-E course*. One-day invited seminar sponsored by Multivoicedimensions. Chicago, IL.
- 2010 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy and Lessac-Madsen Resonant Voice Therapy 5-10*. Two-day invited seminar sponsored by Multivoicedimensions. Chicago, IL.
- 2010 Verdolini Abbott, K. *Motor learning*. Mini-seminar presented at *ASHA Revisited* conference, sponsored by the Southwestern Pennsylvania Speech, Language, Hearing Association. Pittsburgh, PA.
- 2009 Verdolini Abbott, K. *Voice research: Current, future*. Invited mini-seminar presented at the University of Pittsburgh Voice Conference. New Orleans, LA.
- 2009 Verdolini Abbott, K. *Lessac-Madsen Resonant Voice Therapy 5-10*. One-day invited seminar presented at the *Yeled V’Yalda*. Brooklyn, New York.
- 2009 Verdolini Abbott, K. *Introduction to “Lessac-Madsen Resonant Voice Therapy*. Invited mini-seminar presented at the *Voce Artistica* conference. Ravenna, Italy.
- 2009 Verdolini Abbott, K. *Motor learning principles in speech and voice therapy*. Invited mini-seminar presented at the Arkansas Speech, Language and Hearing Convention. Hot Springs, Arkansas.
- 2009 Verdolini Abbott, K. *Novel concepts in pediatric and adult voice therapy*. Invited mini-seminar presented at the American Speech, Language and Hearing Convention. Hot Springs, Arkansas.
- 2009 Verdolini Abbott, K. *Pediatric Voice Inservice Workshop*. Invited one-day presentation at Children’s Hospital of Pittsburgh at UPMC. Pittsburgh, PA.

- 2009 Verdolini Abbott, K. Lessac-Madsen Resonant Voice Therapy and Lessac-Madsen Resonant Voice Therapy 5-10. Two-day invited seminar at the Massachusetts Eye and Ear Infirmary. Boston, MA.
- 2009 Verdolini Abbott, K. Lessac-Madsen Resonant Voice Therapy and Lessac-Madsen Resonant Voice Therapy 5-10. Two-day invited seminar at Georgian College. Barrie, Ontario.
- 2009 Verdolini Abbott, K. Motor Learning Principles in the Voice Studio. Invited presentation at the New York Singing Teachers' Association "Comparative Voice Pedagogy" Seminar, New York, NY.
- 2009 Verdolini Abbott, K. Principles of Motor Learning Applied to the Voice Studio. Invited 5-hr presentation and workshop presented at the Voice Performance and Teaching Workshop, Indiana University, Bloomington, IN.
- 2009 Verdolini Abbott, K. Rehabilitation of the Injured Singing Voice: Unscared Therapy. Workshop presented at the 38th Annual Symposium: Care of the Professional Voice, Philadelphia, PA.
- 2009 Verdolini Abbott, K. Lessac-Madsen Resonant Voice Therapy: 5-10. Invited one-day seminar at the ENTLaser Hearing and Speech Therapy Centre, Hong Kong, China.
- 2009 Verdolini Abbott, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar at the ENTLaser Hearing and Speech Therapy Centre, Hong Kong, China.
- 2009 Verdolini Abbott, K. Motor Learning Principles Applied to Speech-Language Pathology. Invited presentation at the Annual Meeting of the Association of VA Speech-Language Pathologists, Pittsburgh, PA.
- 2009 Verdolini Abbott, K. Lessac-Madsen Resonant Voice Therapy: 5-10. Invited one-day seminar, Wisconsin Speech-Language-Hearing Association – Professional Convention, Middleton, WI.
- 2009 Verdolini Abbott, K. Voice Therapy: Selected Basic Science Foundations. Invited one-day seminar, Wisconsin Speech-Language-Hearing Association – Professional Convention, Middleton, WI.
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Fondazione Flamigna, Ravenna, Italy.
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Parma, Italy.
- 2008 Verdolini K. Keys to Successful Publication in ASHA Journals. Invited participation in workshop at the American Speech-Language-Hearing Association, Chicago, IL.

- 2008 Verdolini, K. Clinical Grand Rounds. Invited participation in seminar at the American Speech-Language-Hearing Association Convention, Boston, MA.
- 2008 Verdolini, K. Motor learning principles applied to singing training. Invited short course, National Association of Teachers of Singing—Los Angeles Chapter, Los Angeles, CA.
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy-Extended. Invited one-day seminar, Park Nicolet Clinic, St. Louis Park, MN.
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy-KID 5-10. Invited one-day seminar, Park Nicolet Clinic, St. Louis Park, MN.
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, sponsored by Plural Publishing, Orlando, FL.
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, sponsored by Plural Publishing, New York, NY.
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, sponsored by University of Florida, Pittsburgh, PA.
- 2008 Verdolini, K. & Roth, D. Motor learning principles in voice training. Invited mini-course at the National Association of Teachers of Singing Convention, Nashville, TN.
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Speech Pathology and Audiology Sciences, University of New Mexico, Albuquerque, NM.
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, M.J. Dance Head and Neck Center, Greater Baltimore Medical Center, Baltimore, MD
- 2008 Verdolini, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Speech Pathology and Audiology Sciences, University of Washington, Seattle, WA.
- 2007 Verdolini, K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Fondazione Flamigna, Ravenna, Italy.
- 2007 Verdolini K. Keys to Successful Publication in ASHA Journals. Invited participation in workshop at the American Speech-Language-Hearing Association, Chicago, IL.
- 2007 Verdolini, K. Clinical Grand Rounds. Invited participation in seminar at the American Speech-Language-Hearing Association Convention, Boston, MA.
- 2007 Verdolini, K. Empirical and simulation evidence around possible benefits of tissue mobilization for wound healing in the larynx. International Conference on Complexity in Acute Illness, Long Beach, CA.

- 2007 Verdolini, K. Lessac-Madsen Resonant Voice Therapy – Extended. Invited one-half day seminar at the Pittsburgh Voice Conference, University of Pittsburgh Voice Center, Pittsburgh, PA.
- 2007 Verdolini, K. Lessac- Madsen Resonant Voice Therapy. Two-day seminar in conjunction with Mark Madsen Voice Studios, St. Louis, MO.
- 2007 Verdolini, K. Lessac-Madsen Resonant Voice Therapy – KIDS 5-10. Two-day seminar in conjunction with Mark Madsen Voice Studios, St. Louis, MO.
- 2007 Verdolini K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Audiologia e Foniatria, Università di Ferrara, Ferrara, Italy.
- 2007 Verdolini K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Southwest Center for Communication Disorders, Prescott, AZ.
- 2007 Verdolini K. Lessac-Madsen Resonant Voice Therapy and Lessac-Madsen Resonant Voice Therapy-KIDS. Invited three-day seminars, University of Hong Kong, Hong Kong, China.
- 2007 Verdolini K. Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, San Francisco State University, San Francisco, CA.
- 2006 Verdolini K. Teacher voice training. Invited two-day seminar, ENT Department, Alexandra Hospital, Singapore.
- 2006 Verdolini K. & Li NYK. Voice therapy's role in wound and scar healing. 2006 UCSF Voice Conference, San Francisco, LA
- 2006 Verdolini K (2006). Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Therapeutic Services, New York, NY.
- 2006 Verdolini K (2006). Lessac-Madsen Resonant Voice Therapy. Invited 1.5-day seminar, University of Boulder-Colorado and National Center for Voice and Speech, Denver, CO.
- 2006 Verdolini K (2006). Voice therapy workshop. Invited presentation, Ninth Biennial Phonosurgery Symposium, Madison, WS.
- 2006 Verdolini K (2006). Possible role of tissue mobilization in the treatment of acute and chronic phonotrauma. Invited presentation, Ninth Biennial Phonosurgery Symposium, Madison, WS.
- 2006 Verdolini K (2006). Releasing learning: Myths and truths in singing training. Invited key-note speech, 49th annual National Association of Teachers of Singing Convention, Minneapolis, MN.

- 2006 Verdolini K (2006). Lessac-Madsen Resonant Voice Therapy. Invited one-day seminar, Department of Communication Science and Disorders, University of Pittsburgh, Pittsburgh, PA.
- 2006 Verdolini, K. (2006). Lessac-Madsen Resonant Voice Therapy-KIDS. Invited one-day seminar, 2nd Annual UPMC Voice Conference, Pittsburgh, PA.
- 2006 Verdolini, K. (2006). Perceptual-motor learning principles applied to speech-language pathology. Invited short course presented at the New York State Speech-Language-Hearing Association, Saratoga Springs, NY.
- 2006 Verdolini, K. (2006). Wound healing in the larynx and the role of tissue mobilization in the treatment of vocal fold injury. Invited short course presented at the New York State Speech-Language-Hearing Association, Saratoga Springs, NY.
- 2006 Verdolini, K. (2006). Models of clinical voice science. Invited one-day CEU seminar, Sponsored by Speech Pathology and Audiology, SUNY-Fredonia, Fredonia, NY.
- 2006 Verdolini, K. (2006). Therapy applications of the Lessac Training. Invited presentation, Lessac Training and Research Institute, Denver, CO.
- 2005 Verdolini, K. (2005). Lessac-Madsen Resonant Voice Therapy—KIDS. Invited one-day seminar, OMNI Speech Clinic, Brooklyn, NY.
- 2005 Verdolini, K. (2005). Practical voice therapy approaches for vocal fold scar/sulcus vocalis. Invited paper presented at the 2005 UCSF Voice Conference, San Francisco, CA.
- 2005 Verdolini, K. (2005). Overview of the Classification Manual for psychological voice disorders. Invited paper presented at the 2005 UCSF Voice Conference, San Francisco, CA.
- 2005 Verdolini, K. Effect of training manipulations in resonant voice therapy: A randomized prospective trial. Invited paper presented at the 2005 UCSF Voice Conference, San Francisco, CA.
- 2005 Verdolini, K. (2005). Skill acquisition for voice professionals. Invited key-note speaker, paper presented at the 7th Voice Symposium of Australia, Australian Voice Association, Sydney, Australia.
- 2005 Verdolini, K. (2005). The role of exercise for wound healing. Invited key-note speaker, paper presented at the 7th Voice Symposium of Australia, Australian Voice Association, Sydney, Australia.
- 2005 Verdolini, K. (2005). Lessac-Madsen Resonant Voice Therapy. Two-day invited seminar, Australian Voice Association, Sydney, Australia.

- 2005 Verdolini, K. (2005). Modern voice therapy methods. Invited miniseminar presented at the University of Pittsburgh Post American Academy of Otolaryngology Conference, Los Angeles, CA.
- 2005 Verdolini, K. (2005). Lessac-Madsen Resonant Voice Therapy-KIDS. One-day invited seminar, Indiana Voice Interest Group, Indianapolis, IN.
- 2005 Verdolini, K. (2005). Lessac-Madsen Resonant Voice Therapy. Two-day invited seminar, Indiana Voice Interest Group, Indianapolis, IN.
- 2005 Verdolini, K. (2005). Lessac-Madsen Resonant Voice Therapy. Two-day invited seminar, National Center for Voice and Speech, Denver, Colorado.
- 2005 Verdolini, K. (2005). Lessac-Madsen Resonant Voice Therapy. Two-day invited seminar, Park Nicollet Clinic, St. Louis Park, MN.
- 2005 Verdolini, K. (2005). Learning manipulations in voice therapy. Invited presentation at Voice Disorders Update, Massachusetts Eye and Ear Infirmary, Harvard Medical School. Boston, Massachusetts.
- 2005 Verdolini, K. (2005). The role of vocal exercise in the treatment of laryngeal inflammation. Invited presentation at Voice Disorders Update, Massachusetts Eye and Ear Infirmary, Harvard Medical School. Boston, Massachusetts.
- 2005 Verdolini, K. (2005). Patient compliance in voice therapy. Invited presentation at Voice Disorders Update, Massachusetts Eye and Ear Infirmary, Harvard Medical School. Boston, Massachusetts.
- 2005 Verdolini, K. (2005). Hot topics in performing voice: Good body good mind. Invited presentation at 6th Annual Multidisciplinary Voice, Swallow & Airway Conference 2005, MEDSpeech, Inc., Voice & Swallow Center, Inc., Jupiter Beach, Florida.
- 2005 Verdolini, K. (2005). Voice therapy for transgender and transsexual voice. Invited presentation at 6th Annual Multidisciplinary Voice, Swallow & Airway Conference 2005, MEDSpeech, Inc., Voice & Swallow Center, Inc., Jupiter Beach, Florida.
- 2005 Verdolini, K. (2005). Lessac-Madsen Resonant Voice Therapy-ENERGY. Invited short course at 6th Annual Multidisciplinary Voice, Swallow & Airway Conference 2005, MEDSpeech, Inc., Voice & Swallow Center, Inc., Jupiter Beach, Florida.
- 2005 Verdolini, K. (2005). Systemic Illness and Voice. Invited presentation at ASHA Health Care 2005: Dementia, Vocal Pathologies, and Pediatric Dysphagia. Palm Springs, California.
- 2005 Verdolini, K. (2005). Special Challenges in Medical Speech-Language Pathology. Invited presentation at ASHA Health Care 2005: Dementia, Vocal Pathologies, and Pediatric Dysphagia. Palm Springs, California.

- 2005 Verdolini, K. (2005). Spasmodic Dysphonia and Tremor. Invited presentation at ASHA Health Care 2005: Dementia, Vocal Pathologies, and Pediatric Dysphagia. Palm Springs, California.
- 2005 Verdolini, K. (2005). Resonant Voice Therapy. Invited presentation at ASHA Health Care 2005: Dementia, Vocal Pathologies, and Pediatric Dysphagia. Palm Springs, California.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy-KIDS. Invited one-day telesatellite conference, Pennsylvania Training and Technical Assistance Network, Shot at WQED, Pittsburgh, Pennsylvania.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy. Invited 1.5-day seminar sponsored by The University of Pittsburgh Voice Center, Pittsburgh, Pennsylvania.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Denver Center for the Performing Arts and Department of Speech, Language, and Hearing Sciences, University of Colorado-Boulder, Denver, Colorado.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Summer Vocology Institute, Denver Center for the Performing Arts, Denver, Colorado.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Voice and Swallowing Center of Maine, Belfast, Maine.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy-KIDS. Invited one-day seminar, Speech Pathology and Audiology Sciences, University of Washington, Seattle, Washington.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Speech Pathology and Audiology Sciences, University of Washington, Seattle, Washington.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, OMNI Speech and Hearing Center, Brooklyn, New York.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy. Invited one-and-one-half-day seminar, MediSpeech, West Palm Beach, Florida.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Centro de Estudos da Voz [Center for the Study of Voice], Sao Paulo, Brazil.
- 2004 Verdolini, K. (2003). Lessac-Madsen Resonant Voice Therapy. Two-day invited seminar at The Evelyn Trammell Voice and Swallowing Center, Saint Joseph's Hospital of Atlanta, Atlanta, Georgia.

- 2004 Verdolini, K. (2004). Exercise and wound healing in the larynx, hydration, motor learning, and clinical studies in voice. Invited one-day symposium, Centro de Estudos da Voz [Center for the Study of Voice], Sao Paolo, Brazil.
- 2004 Verdolini, K. (2004). Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, Centro de Estudos da Voz [Center for the Study of Voice], Sao Paolo, Brazil.
- 2004 Verdolini K (2004). Lessac-Madsen Resonant Voice Therapy. Invited two-day seminar, OMNI Speech and Hearing Center, Brooklyn, New York.
- 2004 Verdolini K (2004). Lessac-Madsen Resonant Voice Therapy. Invited one-and-one-half-day seminar, MediSpeech, West Palm Beach, Florida.
- 2004 Verdolini, K. (2004). Therapy approaches for the singing and stage for. Invited key-note speaker, The Hans von Leden, M.D. Symposium on Voice Care. Cedars-Sinai Hospital, Los Angeles, California.
- 1
- 2004 Verdolini, K. (2004). Cognition and brain—Learning new voice patterns. Invited key-note speaker, Singing and the Brain, New York Singing Teachers Association, New York, New York.
- 2003 Verdolini, K. (2003). Principi dell'apprendimento applicati alla logopedia. [Principles of learning applied to logopedics.] Invited key-note speaker, VII Congresso Nazionale Federazione Logopedisti Italiani [VII Congress of the Italian Logopedics Federation], Florence, Italy.
- 2003 Verdolini, K. (2003). La riabilitazione del canto [Rehabilitation of the singing voice.]. Invited key-note speaker, III Corso Internazionale di Foniatria e Logopedia, "La Voce Artistica." [III International Course on Phoniatria and Logopedics.] Modulo Operative Centro Audiologico e Foniatrco, Azienda USL [Operative Group at the Center for Audiology and Phoniatria], Ravenna, Italy.
- 2003 Verdolini, K. (2003). Lessac-Madsen Resonant Voice Therapy. Two-day invited seminar at Shetler 54 Studios, Broadway, New York (sponsored by Comprehensive Performance Consulting), New York.
- 2003 Verdolini, K. (2003). Lessac-Madsen Resonant Voice Therapy--"Extended." One-day invited seminar at Shetler 54 Studios, Broadway, New York (sponsored by Comprehensive Performance Consulting, New York).
- 2004 Verdolini, K. (2003). Lessac-Madsen Resonant Voice Therapy. Two-day invited seminar at The Evelyn Trammell Voice and Swallowing Center, Saint Joseph's Hospital of Atlanta, Atlanta, Georgia
- 2003 Verdolini K. Workshop on voice therapy techniques. Invited guest faculty, 14th Annual Medicine in the Vocal Arts Symposium: Spoleto; Charleston, South Carolina.

- 2003. Verdolini K. Videostroboscopy case review. Invited guest faculty, 14th Annual Medicine in the Vocal Arts Symposium: Spoleto; Charleston, South Carolina. South Carolina.
- 2003 Verdolini K. Voice therapy for classically trained singers. Invited guest faculty, 14th Annual Medicine in the Vocal Arts Symposium: Spoleto; Charleston, South Carolin. South Carolina.
- 2003 Verdolini K. Lessac-Madsen Resonant Voice Therapy. Invited 1.5-day seminar, Fallon Rehabilitation Services, Leominster, Massachusetts.
- 2003 Verdolini K. Principles of motor learning applied to speech-language pathology intervention. Invited miniseminar, Indiana Speech-Language-Hearing Convention, Indianapolis, Indiana.
- 2003 Verdolini K. Speculations and early data regarding the application of tissue engineering to wound healing in speech-language pathology. Invited miniseminar, Indiana Speech-Language-Hearing Convention, Indianapolis, Indiana.
- 2003 Verdolini K. Mind-body approach to voice evaluation and training. Invited seminar, Indiana Voice and Dysphagia Network (IVDN), Indianapolis, Indiana.
- 2003 Verdolini K. Introductory materials: Lessac-Madsen Resonant Voice Therapy. Invited workshop, 9th European Congress on Music Physiology and Performing Arts, Freiburg, Germany.
- 2003 Verdolini K. Motor learning principles applied to voice training. Invited paper, 9th European Congress on Music Physiology and Performing Arts, Freiburg, Germany.
- 2003 Verdolini K. Management of benign laryngeal lesions. Invited talk, Department of Otolaryngology, Fu Dong University, Shanghai, China.
- 2003 Verdolini K. Speech-language pathology in the United States; Principles of Evaluation in Speech-language pathology; Principles of intervention in Speech-language pathology. Invited lectures, Speech-Language Pathology Program, Fu Dong University, Shanghai, China.
- 2003 Verdolini K. Lessac-Madsen Resonant Voice Therapy. Invited 2-day seminar, Speech-language pathology group, San Antonio, Texas.
- 2003 Verdolini K. Lessac-Madsen Resonant Voice Therapy. Invited 2-day seminar, Springfield, Massachusetts.
- 2002 Verdolini K. The Vocal Overdoer. Invited 1-day seminar, Marshfield Clinic, Marshfield, Wisconsin.

- 2002 Verdolini K. Lessac-Madsen Resonant Voice Therapy. Invited 1.5-day seminar, Marshfield Clinic, Marshfield, Wisconsin.
- 2002 Verdolini K. Lessac-Madsen Resonant Voice Therapy Training Seminar. Invited 1.5-day seminar, M.J. Dance Head and Neck Rehabilitation Center, Baltimore, MD.
- 2002 Verdolini K. Lessac-Based Resonant Voice Therapy Training Seminar. Invited 1.5-day seminar, Department of Logopedics and Phoniatrics Annual Continuing Education Seminar, Hospital of Cesena, Cesena, Italy.
- 2002 Verdolini K. Principi dell'apprendimento applicati alla Logopedia: La mente che impara a cambiarsi [Motor learning principles applied to speech pathology: The mind that learns to change itself]. Invited **key-note** speech, Congresso Nazionale della Società Italiana di Foniatria e Logopedia [National Congress of the Italian Society of Phoniatrics and Logopedics], Modena, Italy.
- 2002 Verdolini K. Lessac-Based Resonant Voice Therapy Training Seminar. Invited 1.5-day seminar, New York Voice Therapy Group, New York, NY.
- 2002 Verdolini K. Principi dell'apprendimento applicati alla Logopedia: La mente che impara a cambiarsi [Motor learning principles applied to speech pathology: The mind that learns to change itself]. Invited **key-note** speech at the Conference, "L'adulto che non parla" [The adult with speaking difficulties], sponsored by the Division of Audiology and Phoniatry of the Department of Surgery, University of Turin, Tabiano, Italy.
- 2002 Verdolini K. Ricerca sull'efficacia dell'intervento logopedico per la disfagia [Research on the efficacy of speech pathology intervention for dysphagia.] Invited talk at the Conference, "L'adulto che non parla" [The adult with speaking difficulties], sponsored by the Division of Audiology and Phoniatry of the Department of Surgery, University of Turin, Tabiano, Italy.
- 2002 Verdolini K. Motor learning principles applied to speech pathology: The mind that learns to change its mind. Invited miniseminar presented at 11th Annual Southwest Conference, Albuquerque, NM.
- 2002 Verdolini K. Loud voice: Our patients need it. Invited miniseminar presented at 11th Annual Southwest Conference, Albuquerque, NM.
- 2002 Verdolini K. Motor learning principles applied to speech pathology: The mind that learns to change its mind. Invited short course presented at 2002 Kentucky Conference on Communication Disorders, Louisville, KY.
- 2002 Verdolini K. Loud voice: Our patients need it. Invited short course presented at 2002 Kentucky Conference on Communication Disorders, Louisville, KY.
- 2001 Verdolini K. Lessac-Based Resonant Voice Therapy Training Seminar. Invited 1.5-day seminar, Educational Resources, Inc. Waltham, MA.

- 2001 Verdolini K. Update of voice therapy and motor learning. Invited one-day seminar, Educational Resources, Inc. Waltham, MA.
- 2001 Verdolini K. Lessac-Based Resonant Voice Therapy Training Seminar. Invited 1.5-day seminar, Educational Resources, Inc. Glen Cove, NY.
- 2001 Verdolini K. Update of voice therapy and motor learning. Invited one-day seminar, Educational Resources, Inc. Glen Cove, NY.
- 2001 Verdolini, K. Loud voice. Invited presentation, Western Pennsylvania Speech-Language Pathology Association, Pittsburgh, PA.
- 2001 Verdolini, K. Motor learning. Invited presentation, Western Pennsylvania Speech-Language Pathology Association, Pittsburgh, PA.
- 2001 Verdolini, K. Healthy Voice: The question of “technique.” Invited talk at the Western Pennsylvania Choruses. Carnegie, PA.
- 2001 Verdolini K. Voice therapy efficacy. Invited **key-note** speech at IV Pan European Voice Conference, Stockholm, Sweden.
- 2001 Verdolini K. The use and results in using real-time (bio)feedback programs. Invited **key-note** speech at 5th International Congress of Voice Teachers, Helsinki, Finland.
- 2001 Verdolini K. EVTS: Implications for motor performance and learning. Invited speaker at Compulsory Figures for Voice Course (Jo Estill), Communication Sciences and Disorders and Voice Center, University of Pittsburgh.
- 2001 Verdolini K. On-line therapy program development in voice therapy. Invited clinical workshop, Thirtieth Annual Symposium: Care of the Professional Voice. Philadelphia, PA.
- 2001 Verdolini K. Paradigm changes in voice therapy. Invited miniseminar, New York State Speech-Language-Hearing Convention, New York, NY.
- 2000 Verdolini K. Skill acquisition principles applied to voice pedagogy. Invited talk presented at Boston Conservatory, sponsored by the Boston Chapter: National Association of Teachers of Singing. Boston, MA.
- 2000 Verdolini K. Lessac-Based Resonant Voice Therapy. One-and-one-half day invited training seminar presented at the Department of Otolaryngology, Virginia Mason Medical Center, Seattle, WA.
- 2000 Verdolini K. Lessac-Based Resonant Voice Therapy. One-and-one-half day invited training seminar presented at the Department of Otolaryngology, University of Ohio, Columbus, Ohio.

- 2000 Verdolini K. The Jo Estill program: Physiological concepts for voice pedagogy. Invited workshop presented at the IV. International Symposium: Vocal Arts Medicine and Voice Care, Salzburg, Austria.
- 2000 Verdolini K. Pop singers. Invited speaker in round table discussion at the IV. International Symposium: Vocal Arts Medicine and Voice Care, Salzburg, Austria.
- 2000 Verdolini K. Deactivation-Selective Activation Model: Training Principles for Injured Singers. Invited workshop presented at the Twenty-Ninth Annual Symposium: Care of the Professional Voice: Philadelphia, PA.
- 2000 Verdolini K. Resonant Voice Therapy Training Seminar. One-and-one-half-day invited training seminar presented in the Department of Communication Disorders, University of Memphis, Memphis, TN.
- 2000 Verdolini K. A working model of voice therapy. Invited presentation to Cape Cod Speech Pathologists, Sandwich, MA
- 2000 Verdolini K. Skill acquisition principles applied to voice therapy. Invited speech, Department of Communication Disorders, University of Hong Kong, Hong Kong, China.
- 1999 Verdolini K, & Medtronic Symetics (M. Skytt). Electromyography. Invited presentation at the Symposium: Real-time Biofeedback in Voice Therapy and Training. Stockholm, Sweden.
- 1999 Verdolini K, & Laryngograph Ltd (A Fourcin). Real-time spectrogram display. Invited presentation at the Symposium: Real-time Biofeedback in Voice Therapy and Training. Stockholm, Sweden.
- 1999 Verdolini K. Assessment and treatment of voice and motor speech disorders: New directions in adult and pediatric evaluation and treatment. Invited two-day workshop presented at the JFK-Johnson Rehabilitation Institute. Edison, NJ.
- 1999 Verdolini K. Assessment and treatment of voice and motor speech disorders: New directions. Invited two-day workshop sponsored by the Cape Cod Institute for Communication Disorders, Corp. Eastham, MA.
- 1999 Verdolini K. The effects of hydration and dehydration on vocal fold tissue and voice function. Invited paper presented at the 1999 Swedish Association of ENT Surgeons, Stockholm, Sweden.
- 1999 Verdolini K. Hydration and voice. Invited paper presented at the 1999 Meeting, Swedish Phoniaticians and Speech-Language Pathologists, Huddinge Hospital, Stockholm, Sweden.
- 1999 Verdolini K. Voice therapy as physical medicine: Altering biological substrates with systematic exercise. Invited talk at the Fourth Annual Alumni Conference:

Comprehensive management of voice disorders. University of Connecticut Health Center, Farmington, CT.

- 1999 Verdolini K. Occupational risks for voice disorders. Invited paper presented at the Fourth International Voice Symposium: Care of the Professional and Occupational Voice, Canadian Voice Care Foundation, Banff, Canada.
- 1999 Verdolini K. Management of the injured singing voice. Invited seminar presented at the Fourth International Voice Symposium: Care of the Professional and Occupational Voice, Canadian Voice Care Foundation, Banff, Canada.
- 1999 Verdolini K. Hydration and voice. Invited short-course presented at the Second World Voice Congress and Fifth International Symposium on Phonosurgery, Sao Paulo, Brazil.
- 1999 Verdolini K. Estill VoiceCraft. Invited short-course presented at the Second World Voice Congress and Fifth International Symposium on Phonosurgery, Sao Paulo, Brazil.
- 1999 Verdolini K, Ramos AC, & Izdebski K. Voice therapy efficacy. Invited short-course presented at the Second World Voice Congress and Fifth International Symposium on Phonosurgery, Sao Paulo, Brazil.
- 1999 Izdebski K (moderator); Bless D, Brandi E, Hirshberg J, Tapia G, Verdolini K (panelists). 0020Clinical voice evaluation. Invited participant, plenary session at the Second World Voice Congress and Fifth International Symposium on Phonosurgery. Sao Paulo, Brazil.
- 1998 Verdolini K. Demonstration of “The Resonant Voice Therapy” Protocol to Resolve Minor Organic Dysphonia. Invited talk at the Eleventh Annual Pacific Voice Conference, San Francisco, CA.
- 1998 Schloemicher-Their J, Gardner G, Kendal K, Verdolini K, Stemple J, Behlau M. Challenging cases. Invited participation, panel at the Eleventh Annual Pacific Voice Conference, San Francisco, CA.
- 1998 Verdolini K. Stimmprobleme und Lebensqualitaet. (Voice problems and quality of life.) Invited paper presented at the Innsbrucker Stimmsymposium (First Innsbruck Voice Symposium). Innsbruck, Austria.
- 1998 Verdolini K. Resonanz Voice Therapie. (Resonant Voice Therapy.) Invited workshop conducted at the Innsbrucker Stimmsymposium (First Innsbruck Voice Symposium). Innsbruck, Austria.
- 1998 Verdolini K. Skill acquisition principles applied to voice therapy and voice pedagogy. Invited talk presented at the Varens Sangrostseminarier 1998. (Union of singer seminars 1998). Karolinska Institute, Stockholm, Sweden.

- 1998 Verdolini K. Occupational risks for a voice disorder in the 1990's: Professions and Exposures. Invited talk presented at the Fyra Publika Symposier 1998 (Public seminars 1998). Karolinska Institute Voice Research Center, Stockholm, Sweden.
- 1998 Verdolini K. Care of the Professional Voice. Invited one-day seminar, Miami University, Oxford, OH.
- 1997 Verdolini K. Critical analysis of common terminology in voice therapy. Invited paper presented at the Tenth Annual Pacific Voice Conference, San Francisco, CA.
- 1997 Verdolini K. Skill acquisition. Invited paper presented at the Second Pan-European Voice Conference, Regensburg, Germany.
- 1997 Titze IR & Verdolini K. Oscillators, equilibrium states, and energy transfer. Invited workshop presented at the Pan-European Voice Conference, Regensburg, Germany.
- 1997 Woo P & Verdolini K. Stroboskopie und Stimmtherapie. (Stroboscopy and voice therapy). Invited one-day workshop conducted at the International Symposium: Die Berufstimme, Salzburg, Austria.
- 1997 Verdolini K. Neue Stimmtherapien. (New voice therapies.) Invited paper presented at the International Symposium: Die Berufstimme, Salzburg, Austria.
- 1997 Verdolini K. The effects of hydration and dehydration on vocal fold tissue and voice function. Invited paper presented at the Second Scandinavian Conference on Laryngeal Surgery and Voice, Stockholm, Sweden.
- 1997 Verdolini K. Voice and speech therapy for Parkinson disease. Invited paper presented at the Third Annual Parkinson's Disease Patient Symposium, Beth Israel Deaconess Medical Center, Boston, MA.
- 1997 Verdolini K. Voice therapy: Models, data, practice. Invited two-day conference conducted for the Voice/Resonance Clinical Interest Group, Calgary, Canada.
- 1997 Verdolini K. Resonant Voice Therapy Training. Invited one-day training workshop conducted at the Institute for Voice Analysis and Rehabilitation, Dayton, Ohio.
- 1997 Verdolini K. A computational model of voice therapy. Invited seminar presented at the RLE Speech Communication Group, Massachusetts Institute of Technology, Boston, MA.
- 1997 Verdolini K. Resonant voice therapy training. One-day invited training workshop presented at the Joint Center for Otolaryngology, Boston, MA.
- 1996 Verdolini K. Options for vocal fatigue resulting from hyperfunction. Invited paper presented at the Ninth Annual Pacific Voice Conference, San Francisco, CA.

- 1996 Verdolini K. Options for acute and chronic management of dysphonia secondary to edema. Invited paper presented at the Ninth Annual Pacific Voice Conference, San Francisco, CA.
- 1996 Barkmeier J Verdolini K & Miller S. Biofeedback using videoendoscopy for treatment of hyperfunctional voice disorders. Invited paper presented at the Ninth Annual Pacific Voice Conference, San Francisco, CA.
- 1996 Verdolini K. Die funktionelle und psychogene Stimmstoerung: Einfuehrung und Therapieprinzipien. (Functional and psychogenic voice disorders: Applications and therapy principles). Invited workshop held at the Internationales Symposium: Die Berufstimme, Salzburg, Austria.
- 1996 Verdolini K. Das taegliche Stimmtraining, das Stimmaufwaermeprogramm, (Daily voice training, voice warm-up program). Invited paper presented at the Internationals Symposium: Die Berufstimme, Salzburg, Austria.
- 1996 Verdolini K. A computational voice therapy system: Resonant voice therapy. Invited one-day seminar presented at Connecticut Speech-Language-Hearing Association Convention, Cromwell, CT.
- 1996 Verdolini K. Resonant voice therapy. Paper presented at Focus on Voice Therapy: Preparing for a Changing World, Boston, MA.
- 1996 Doyle P & Verdolini K. The non-singing speech pathologist treating the singer. Workshop presented at Focus on Voice Therapy: Preparing for a Changing World, Boston, MA.
- 1996 Verdolini K. Modern concepts in voice therapy. Invited seminar at Department of Communicative Disorders, University of Rhode Island, Kingston, RI.
- 1996 Verdolini K. Voice therapy: Comparison of methods. Invited four-day intensive course for laryngologists and speech pathologists. Freie Universitaet, Berlin, Germany.
- 1995 Verdolini K. A model of voice therapy. Invited talk presented at Boston Area Voice Interest Group, Boston, MA.
- 1995 Verdolini K. Designing outcome studies: Treatment efficacy. Invited paper presented at Phonosurgery and Voice Disorders conference, Boston, MA.
- 1995 Verdolini K & Taylor M. Investigation of articulatory influences on tonal quality in German and Italian schools of classical singing. Invited paper presented at First Pan European Voice Conference, London, England.
- 1995 Titze IR & Verdolini K. From laboratory formulas to clinical formulations. Invited workshop presented at First Pan European Voice Conference, London, England.

- 1995 Verdolini K. Singen and mentales training. (Singing and mental training). Invited paper presented at Stimmsymposium Salzburg, Salzburg, Austria.
- 1995 Verdolini K. Workshop on mental aspects of singing training. Invited workshop held at Stimmsymposium Salzburg, Salzburg, Austria.
- 1995 Verdolini K. Voice Therapy. The Harvard Concept. Invited conference at the Freie Universitaet Berlin, Berlin, Germany.
- 1995 Verdolini K. Preventing a voice disorder during show rehearsals. Invited talk at Iowa City Community Theatre, Iowa City, IA.
- 1994 Verdolini K. Phonosurgery for focal benign disease: Non-surgical management. Invited paper presented at the Third Biennial Phonosurgery Symposium. Phonosurgery Conference, Madison, WS.
- 1994 Verdolini K. Nontraditional methods of voice therapy for vocal nodules, polyps and granulomas. Invited paper presented at the Clinical Conference for Otolaryngologists and Speech Pathologists, Department of Otolaryngology and National Center for Voice and Speech, The University of Iowa, Iowa City, IA.
- 1994 Verdolini K. New approaches to clinical voice evaluations and treatment. Invited one-and-one-half day seminar for practicing speech/language pathologists, students and supervisors, Department of Speech-Language-Hearing, Temple University, Philadelphia, PA.
- 1993 Verdolini K. A unifying framework for voice therapy across a range of organic dysphonias: A physiologically based model. Invited paper, Sixth Annual Pacific Voice Conference, San Francisco, CA.
- 1993 Verdolini K. The role of hydration and behavior modification in the treatment of edematous dysphonias. Invited paper, Sixth Annual Pacific Voice Conference, San Francisco, CA.
- 1993 Verdolini K. Basic principles of “what” and “how” in voice therapy: Physiological and cognitive aspects. One-day seminar for practicing speech/language pathologists and students, The University of Iowa, Iowa City, IA.
- 1993 Verdolini K. Assessment and treatment of voice disorders in the public school setting. Invited inservice for Area Educational Agency, Cedar Rapids, IA.
- 1993 Verdolini-Marston K. Power and freedom in voice: Daily routine. Invited half-day workshop, Fairfield, IA.
- 1993 Verdolini-Marston K. Power and freedom in voice: Basic techniques. Invited half-day workshop, Fairfield, IA.

- 1992 Verdolini-Marston K. Issues of voice assessment and therapy in the public schools. Invited half-day inservice for Area Educational Agency, Creston, IA.
- 1992 Verdolini-Marston K. New concepts in voice therapy: A workshop for Speech/Language Pathologists. Invited two-day workshop, sponsored by Iowa Methodist Medical Center, National Center for Voice and Speech, and Department of Speech Pathology and Audiology, The University of Iowa, Des Moines, IA.
- 1992 Verdolini-Marston K & Madsen M. Speech and song plus resonant voice development. Invited dne day workshop, Fairfield, IA.
- 1992 Verdolini-Marston K. Speech and song: Breath to resonance in freedom. Invited one-day workshop, Fairfield, IA.
- 1992 Lessac A & Verdolini-Marston K. Lessac training: Bridging the gap. Invited three-day workshop on the Lessac approach to voice and speech, sponsored by the Division of Otolaryngology, University of Utah School of Medicine, The Lessac Institute, the National Center for Voice and Speech, and the Department of Speech Pathology and Audiology, The University of Iowa, Salt Lake City, UT.
- 1991 Verdolini-Marston K. Principles of skill acquisition applied to Speech Pathology. Invited paper presented at Iowa Speech-Language-Hearing Association Convention, Des Moines, IA.
- 1991 Verdolini-Marston K. Voice therapy. Invited paper presented at Iowa Speech-Language-Hearing Association Convention, Des Moines, IA.
- 1991 Verdolini-Marston K. Preliminary physiological descriptions of resonance and air flow approaches to voice therapy. Paper presented at the conference on Current Topics in Voice, sponsored by Speech Pathology and Audiology. The University of Iowa, and National Center for Voice and Speech, Iowa City, IA.
- 1990 Verdolini-Marston K. Voice workshop. Invited one day workshop held in the Department of Otolaryngology, Washington University, St. Louis, MO.
- 1990 Verdolini-Marston K. Evaluation and treatment of voice disorders. Paper presented at the Conference on The Art and Science of the Professional Voice, Washington University, and The Department of Music, University of Missouri-St. Louis, St. Louis, MO.
- 1990 Verdolini-Marston K & Madsen M. Workshop on breathing and support for singers and actors. Invited four-session workshop sponsored by Women's Barbershop Chorus, St. Louis, MO.
- 1990 Verdolini-Marston K. Competenza logopedica nella deglutizione [Competence of speech pathologists in dysphagia]. Invited paper presented at the Regional Association of Speech Pathologists, Trent, Italy.

- 1990 Verdolini-Marston K. Valutazione della deglutizione [Evaluation of swallowing]. Invited paper presented at the Regional Association of Speech Pathologists, Trent, Italy.
- 1991 Verdolini-Marston K. Intervento logopedico nella deglutizione. Quali strumenti? [Speech pathology intervention in swallowing: Which instruments?] Invited paper presented at the Regional Association of Speech Pathologists, Trent, Italy.
- 1990 Verdolini-Marston K. Dimostrazioni pratiche sull'intervento logopedico nelle patologie cantori [Practical demonstrations of speech pathology intervention in pathologies of choral singers]. Invited paper presented at the Regional Association of Speech Pathologists, Trent, Italy.
- 1990 Verdolini-Marston K. Prove pratiche dal vivo con ausilio di strumenti audiovisivi nella valutazione e nella terapia della voce cantata [Live demonstrations with use of audiovisual equipment in the evaluation and treatment of the singing voice]. Invited paper presented at the Regional Association of Speech Pathologists, Trent, Italy.
- 1989 Verdolini-Marston K. Prevention and treatment of voice disorders in singers. Invited paper presented at the annual meeting of the St. Louis Chapter of National Association of Teachers of Singing, St. Louis, MO.
- 1989 Verdolini-Marston K. Exercises for singers. Invited workshop presented at Parkway Schools, St. Louis, MO.
- 1989 Verdolini-Marston K. Evaluation and treatment of swallowing disorders. Invited paper presented at the meeting of the American Academy of Otolaryngology, New Orleans, LA.
- 1989 Verdolini-Marston K. Vocal health for public school teacher. Invited paper presented at Parkway Schools, St. Louis, MO.
- 1989 Verdolini-Marston K. Workshop on exercise for singers. Invited four-session workshop presented at Edgewood Children's Center, St. Louis, MO.
- 1989 Verdolini-Marston K. Diagnosi e trattamento dei disordini vocali [Diagnosis and treatment of voice disorders]. Invited paper presented at the Regional Association of Speech Pathologists, Trent, Italy.
- 1989 Verdolini-Marston K. Diagnosi e trattamento dei disordini vocali [Diagnosis and treatment of voice disorders]. Invited paper presented at the Regional Association of Speech Pathologists, Ancona, Italy.
- 1989 Verdolini-Marston K. La preservazione della salute vocale nei cantanti di coro [Preservation of vocal health in choral singers]. Invited paper presented at the Regional Association of Choral Directors, Trent, Italy.

- 1989 Verdolini K. A healthy voice. Invited paper presented at the Symposium for Public School Teachers, Evansville, IN.
- 1989 Verdolini K. Vocal health in the choral setting. Invited paper presented at the Symposium for choral conductors, Evansville, IN.
- 1986 Verdolini K. Preserving vocal health. Invited paper presented at Master Works Chorale, Belleville, IL.
- 1986 Verdolini K. Vocal health for the singer. Invited paper presented at the Vocal Performance Symposium, Conservatory of Music, Capital University, Columbus, OH.
- 1986 Verdolini K. Care of the voice in the choral setting. Invited paper presented at the American Choral Directors Association, Central Division Convention, Indianapolis, IN.
- 1986 Verdolini K. Principles of the vocal health in the young singer. Invited paper presented at the Kodaly Music Educators OAKE Conference, St. Louis, MO.
- 1984 Verdolini K & Hapner E. New Developments in voice rehabilitation following total laryngectomy. Invited presentation at the Nu Voice Club, St. Louis, MO.
- 1984 Verdolini K. Taking care of the performing voice. Invited paper presented at the Sweet Adeline's Barbershop Choir, St. Louis, MO.
- 1981 Verdolini K. Physiology and acoustics of voice in declamatory speech. Invited paper presented to the Rhetoric Club, Bloomington, IN.
- 1981 Verdolini K. La fisiologia respiratoria nel canto (Respiratory physiology for singing), Invited paper presented at the Giacomo Rossini Conservatory, Bologna, Italy.
- 1981 Verdolini K. Diagnosi e terapia disordini di linguaggio nei bambini (Diagnosis and treatment of childhood language disorders). Invited paper presented to public school speech/language pathologist, Bologna, Italy.

Organizational:

- 2018 Founding member, Delaware Voice Consortium. Collaborators include pediatric laryngology Nemours, Wilmington, DE (Patrick Barth), adult laryngology Wilmington, DE (Jonathan Romak), University of Delaware Music Department (Blake Smith and Dr. Noel Archembeault), University of Delaware Tissue Engineering Group (Xinqiao Jia), Christiana Hospital (Dale Gregore), University of Delaware Speech-Language-Hearing Clinic (Christine Cook), and University of Delaware Communication Sciences and Disorders PhD student (Katherine Verdolini Abbott, Marianna Rubino, Ümit Dasdögen, Martin Vivero, Christopher Apfelbach).

Research Grants

Grant Number	Grant Title/PI	Role and % Effort	Years	Source & Amount
--------------	----------------	-------------------	-------	-----------------

(Small Business Grant SBIR)	AIV: Adventures in Voice. Tony Ma & Verdolini Abbott, Co-PI)	MPI, 25%	2025-2028 (Resubmitted)	National Institute on Deafness and Other Communication Disorders (\$2,543,135 requested)
R01 DC022415	Toward ambulatory monitoring of vocal behavior at the physiological level. (Zhang, PI)	Co-Investigator, 25%	2025-2030 (Scored, in re-submission)	National Institute on Deafness and Other Communication Disorders (\$3,808,465 requested)
R01 DC020240	Laryngeal and vocal tract strategies to reduce vocal fold contact pressure (Zhang, PI)	Co-investigator	2023-2028 Funded	National Institute on Deafness and Other Communication Disorders (\$3,808.116 requested)
R21 DC015506	The influence of virtual reality environments on voice perception and production (Verdolini Abbott, PI)	PI	2023-2025 Funded	National Institute on Deafness and Other Communication Disorders (\$439,168 requested)
R01 DC020247	Towards a unified system to classify treatments for muscle tension dysphonia (Van Stan, PI)	Consultant	2022-2027 Funded	National Institute on Deafness and Other Communication Disorders (\$2,491,877 requested)
F31 DC020362	Validation of a novel vocal demand task for measuring vocal fatigue (Apfelbach, PI)	Sponsor	2022-2023 Funded	National Institute on Deafness and Other Communication Disorders (\$82,478)
Mind & Life Europe 2021 Francisco J. Varela Research Award	The Motor Impact of Mindfulness Meditation on Voice Production (Cardona, PI)	Advisor	2022-2023 Funded	Mind & Life Institute (E.17.500)
K23AG070185	Promoting Independence with Compensatory Cognitive Rehabilitation: A Pilot Clinical Trial for Early-Stage Alzheimer's	Co-primary mentor*	2021-2026 (02/2021-01/2026) Funded	National Institute on Deafness and Other Communication Disorders (\$870.225)

	Disease (Lanzi, PI)			
U54GM104941C	Generating articulatory movement from speech using deep neural network (Binder-Macleod)	Consultant (0.6 effort across funding period)	2019-2020 Funded	National Institute of General Medical Sciences; \$80,000 direct cost
R01 DC017923	Cognitive and biological mechanisms in pediatric voice therapy (Verdolini Abbott, PI)	PI (varying effort)	2019-2024 Funded	National Institute on Deafness and Other Communication Disorders; \$3,076,317
K23 DC016335	Psychological factors influencing voice outcomes: Technology-based assessment and intervention (Misono, PI)	Consultant (flat effort)	2017-2022 (07/2017-06/2022) Funded	National Institute on Deafness and Other Communication Disorders; \$983,511
F31 DC015752	Exercise-induced episodic laryngeal breathing disorders: Features and Mechanisms (Adrianna Shembel, PI; Katherine Verdolini Abbott sponsor)	Sponsor	2016-2017 Funded	National Institute on Deafness and Other Communication Disorders; ; \$28,061
R15 Academic Research Enhancement Award (AREA)	Treating laryngeal hyperfunction with flow phonation (Gary McCullough, PI)	Consultant (\$2000/yr)	2013-2016 Funded	National Institute on Deafness and Other Communication Disorders; \$130,685
R01 DC	(Christopher Hartnick, Harvard Medical School, PI; Verdolini Pittsburgh subcontract PI)	Consultant (without pay 2011 forward)	2010-2015 Funded	National Institute on Deafness and Other Communication Disorders; (~ \$2,500,000 direct costs requested for 5-yr funding period)
F31 DC012960	A Study of Ventilatory Homeostasis and Phonatory Behavior during Aerobic Exercise (Candidate Aaron Ziegler, PI)	Sponsor/Mentor	2012-2013 Funded	National Institute on Deafness and Other Communication Disorders; \$28,061

F31 DC012707	The Effects of Hyper and Hypocapnia on Phonatory Laryngeal Resistance (Candidate Amanda Gillespie, PI)	Sponsor/Mentor	2012-2013 Funded	National Institute on Deafness and Other Communication Disorders; \$28,061
R01 DC 010371	Randomized Controlled Trial of Voice Therapy in Children with Vocal Nodules (Christopher Hartnick, Harvard Medical School, PI)	PI Pittsburgh Subcontract (and Consultant); 10% effort Yr 1-2	2010-2015 Funded	National Institute on Deafness and Other Communication Disorders; \$2,500,000
R01 DC008567	Prospective Randomized Study of Prevention of Voice Problems in Teachers	PI, ~ 50% effort	2009-2016 Funded	National Institute on Deafness and Other Communication Disorders; \$2,935,458
R01 Supplement (R01 DC 008290)	Hybrid model of Vocal Fold Inflammation and Tissue Mobilization, Administrative Research Supplement to Otolaryngologists (Candidate Priya Krishna, M.D.)	PI/mentor	2008-2010 Funded	National Institute on Deafness and Other Communication Disorders; \$302,399
R03 DC008690	Physiological effects of hyperosmotic vocal fold surface fluid (Mahalakshmi Sivasankar, PI)	Consultant	2008-2011 Funded	National Institute on Deafness and Other Communication Disorders; \$546,069
R01 DC 008290	Hybrid Model of Vocal Fold Inflammation and Tissue Mobilization	PI, 25%	2007-2012 Funded	National Institute on Deafness and Other Communication Disorders; \$2,510,312
R21	Prospective Randomized Double-Blind Study of Acupuncture for Phonotrauma (Edwin Yiu, PI)	Consultant	2007-2009 Funded	National Institute on Complementary and Alternative Medicine; \$250,000

R03	Throat Clearing, Coughing, and Alternative Behaviors (Heather Shaw Bonilha, P.I.)	Consultant, research design and data interpretation, 0%	2007-2012 Funded	National Institute on Deafness and Other Communication Disorders; \$432,000
K12 HD055931	Multicenter Career Development Program for Physical and Occupational Therapists (PT/OT CDP) (Delitto, Program Director)	Mentor, 10% effort without funding	2007-2012 Funded	National Institute of Child Health and Human Development; National Center for Medical Rehabilitation Research; National Institute of Neurological Disorders and Stroke; \$4,625,511
R03 DC 005703	Kinematic comparison of speech and nonspeech oral tasks (Susan Shaiman, PI)	Consultant, 5% (without funding)	2005-2008 Funded	National Institute on Deafness and Other Communication Disorders; \$222,750
F31	<i>In vitro</i> Study of Cyclic Tensile Strain for Vocal Fold Inflammation (Candidate Ryan Branski, PI)	Sponsor/Mentor	2004-2005 Funded	National Institute on Deafness and Other Communication Disorders; \$25,000
R01 DC 005643	Biophysiological Mechanisms of “Heightened Speech”	PI, 50%	2003-2008 Funded	National Institute on Deafness and Other Communication Disorders; \$1,793,840
U01 DC 0326	Randomized Study of Two Interventions for Liquid Aspiration (Jerilyn Logemann, PI)	RPI, 5% (1997-2000)	1997-2002 Funded	National Institute on Deafness and Other Communication Disorders; \$6,474,133
K08 DC 00139	Cognitive neurophysiology of skill acquisition for voice	PI, 75%	1997-2001 Funded	Mentored Clinical Scientist Development Award, National Institute on Deafness and Other Communication Disorders; \$509,829
P000976	Project #1, Biomechanics of the Larynx in	Consultant without funding	1995-2000 Funded	National Institute on Deafness and Other

	Research and Training; Center for Voice and Speech Communication (Ingo Titze, PI)			Communication Disorders; Project #1 \$564,696; Center \$4,438,637
P6000967	Project #1, Biomechanics of the Larynx in Research and Training; Center for Voice and Speech Communication (Ingo Titze, PI)	Co-PI, 20%	1990-1995 Funded	National Institute on Deafness and Other Communication Disorders; Project #1 \$800,519; Center \$6,229,591
G618	Efficacy of Two Methods for Behavioral Treatment of Vocal Nodules	PI, 10%	1990 Funded	Junior Faculty Seed Grant, University of Iowa; \$10,000
P01 NS 19632	Project #1, Anatomical Basis of Memory; Program Project (Anthony Damasio, PI)	Consultant without funding	1991-1996 Funded	National Institute of Neurological Disorders and Stroke; \$5,200,000

Service

Seminars and Meetings Organized

- 2007 Lessac-Madsen Resonant Voice Therapy-KIDS 5-10 (St. Louis, MO). Two-day training seminar for clinicians, in conjunction with Mark Madsen Voice Studios, St. Louis, MO.
- 2007 Lessac-Madsen Resonant Voice Therapy-KIDS 5-10 (St. Louis, MO). Two-day training seminar for clinicians, in conjunction with Mark Madsen Voice Studios, St. Louis, MO.
- 2002 Consensus Meeting on Auditory-Perceptual Evaluation of Voice Disorders (Pittsburgh, PA). Four-day meeting sponsored by American Speech-Language-Hearing Association Special Interest Division 3: Voice and Voice Disorders, and Communication Science and Disorders, School of Health and Rehabilitation Sciences, University of Pittsburgh.
- 2000 Lessac Training Seminar (Boston, MA). One-day training seminar for area speech-language pathologists, singers, and actors. Sponsored by Massachusetts Eye and Ear Infirmary and Massachusetts General Hospital.
- 1997 Lee Silverman Voice Treatment (Boston, MA). One-and one-half day training seminar for area clinicians by Lorraine Ramig and Stephanie Countryman. Sponsored by Beth Israel Deaconess Medical Center, Brigham and Women's Hospital, Massachusetts General Hospital, MGH Institute of Health Professions, and Harvard Voice Disorders Center.

- 1997 Vocal Function Exercise Program and Resonant Voice Therapy (Boston, MA). Two-day training seminar by Joseph Stemple, Bernice Gerdemann, and Katherine Verdolini. Sponsored by Beth Israel Deaconess Medical Center and Brigham and Women's Hospital, Massachusetts Eye and Ear Infirmary, and Harvard Voice Disorders Center.
- 1996 Lee Silverman Voice Treatment (Boston, MA). One-and-one half day training seminar by Lorraine Ramig and Cynthia Fox. Sponsored by Beth Israel and Brigham and Women's Hospitals.
- 1996 Focus on Voice Therapy: Preparing for a Changing World (Boston, MA). Two-day-conference sponsored by Beth Israel Hospital, Harvard Voice Disorders Center, and Massachusetts General Hospital. Primary organizer Maria D'Antoni.
- 1991 Lessac Training: Bridging the Gap (Iowa City, IA). Two-day workshop for interdisciplinary training of speech pathologists, singers, and actors.
